

15,000 Expected To Hear Kennedy

Talks Monday Set For 9:45 A.M. In GC And 10:10 In Venice

Continuing his face-to-face, palm-to-palm campaign for the presidency, Sen. John F. Kennedy, who will bring his campaign into the Quad-Cities on Monday.

Two brief talks have been slated, and there's sure to be a lot of handshaking, autograph signing as well as general hoopla on the part of his Democratic partisans. They are sure to be out in force to see and hear their party's 1960 standard bearer.

Madison Avenue and Broadway, knifing through business centers, will be in gala dress; there'll be campaign hats on sale, free distribution of campaign buttons and Kennedy stickers, coffee and doughnuts; a swarming of other Democratic office-seekers, and the excitement of a political rally.

Crowd Estimate—15,000

Forecasts as to the anticipated turn-out vary. Largely dependent on the weather, and including those who will flank the route of the candidate's motorcade, estimates range from a high of 13,000 downward.

Harold E. Hillmer, a leader among Madison County Democrats, set the top figure pointing out this will include those who see the Kennedy candidate at Mitchell and along the Madison Avenue-Broadway route. The Massachusetts senator will speak at 9:45 a.m. at the Bellemore Shopping center, plaza Johnson and Nameeki roads, and at 10:10 a.m. from a stage fronting the Venice-Madison American Legion headquarters on Broadway.

In the event of rain, Hillmer said, the Bellemore talk will be transferred to the gymnasium of either Coolidge junior or Granite City high school.

Activities Planned

Prior to Sen. Kennedy's Bellemore center appearance, there'll be campaign oratory by Democratic candidates for state and county offices; music; coffee and doughnuts; a sale of Kennedy campaign hats, and distribution of buttons, car stickers and other junk.

The Kennedy entourage will be a large one. Accompanying the candidate will be his wife, Jacqueline, and a large staff of newspaper writers and political commentators, along with U. S. Senator, Paul Douglas, Judge Otto Pickens, the Democratic gubernatorial candidate, Congressman Melvin Price (D., East St. Louis) and county, local and state Democratic "brass."

In his sweep through Madison county, Kennedy is regarded as heavily solid in the Democratic column — Sen. Kennedy will start with a 15-minute talk at 9 a.m. at Alton's Lincoln-Douglas square.

Then, according to the "Herald," announced by Hillmer, the motorcade will make its way through East Alton, Wood River, Pecan and into the first of the Quad-Cities, Mitchell, over Route 111 and by pass 40-6.

Mitchellites will get a glimpse of the candidate as the procession heads to the Bellemore center.

15-20 Minute Talks

The five table calls for a 15- to 20-minute talk at Bellemore, then off again, via Nameeki road, Madison Avenue and Broadway to Legion headquarters at Venice. An outdoor platform will be set up and here, again, 15 minutes.

Business Division UF Goal Set At \$34,000

Campaign Preparations Stress Oct. 13 Kickoff For \$285,461 Quota

Major and captains of the Granite City business division of the United Food drive got down to actual business Tuesday afternoon, that of assigning volunteer aides to assist in raising \$34,000.

This is the divisional quota of the \$285,461 set as the target for this fall's campaign, starting Oct. 13.

Under a military plan of organization, each of the captains will recruit a "company" of 25 to 30 members. They will be assigned other tasks along with their primary duty of raising \$34,000.

Madison and Venice business divisions solicitations are to be handled separately, under direction of Mayor Stephen A. Macdonald and Mayor John E. Lee, respectively.

Leaders Conduct Briefing

The ranking "brass" at Tuesday's briefing and assignment session at the U.F.C. very big co-chairmen, Ernest A. Karandeff, president of the Granite City Trust and Savings bank, and Gene E. Lichter, manager of the F. W. Woolworth Co. store here. This is the top echelon.

A general pre-campaign rally briefing and send-off of all Granite City business division workers will be held at 3 p.m. Monday, Oct. 11, at the YMCA.

Following the presentation of a film detailing something of the U.F.C. "Fair Share Giving Plan," major and captains were introduced, and there was a school of instruction led by John D. Solenberger, executive secretary of the Tri-Cities Area United Food drive.

Solenberger pointed out that the business division raised \$300,000 during the previous food drive, and emphasized the necessity for all campaign workers to "sweep the entire field," overlooking no place of business, in their solicitations.

He said that campaign kits will be distributed at the Oct. 11 pep rally.

100 Assignments

Chairman Karandeff, from a list of men and women who had volunteered, assigned four aides to each captain. There were 100 such assignments, and each captain has the duty of forming each volunteer of his team membership and tasks.

Under the plan, men from industrial plants, who had turned in a superb job last year, will have the duty of forming the business division. They will be assigned to each captain. There were 100 such assignments, and each captain has the duty of forming each volunteer of his team membership and tasks.

On the reverse side of all campaign workers will be a list of receipt cards which will be a membership certificate in the American Red Cross.

So, under high echelon command of the major and captains, business division team workers will get down to their jobs following the Oct. 11 pre-campaign rally.

Monday was the first day of mailing of absentee ballots to serve personnel, or for those home on leave to vote in person at the county clerk's office in a special election.

Rules For Servicemen

Persons in the United States service, Miss Hotz stressed, need not be registered in order to serve personnel, or for those home on leave to vote in person at the county clerk's office in a special election.

Changes of address on voter cards also have been reported in recent weeks. The latest weekly listing showed 255 in the Quad-Cities — 111 in Nameeki township, 75 in Venice township and 71 in Granite City.

7800 In County

County-wide totals since the registration drive was launched in the late summer show 7800 registered voters, aged 18 and over, in the county.

Free Bus Service To Bond Rally; IU Campus Preview

On-the-spot preview and tour of the Edwardsville center of Southern Illinois University's growing southwestern campus will be afforded an anticipated 2000 persons Saturday at the University - Public Welfare Building Bond rally.

Called to corral widespread support of the bonding proposals for vote at the Nov. 8 general election, the grant rally will attract representatives of labor, industry, education, health, government, women's groups and service clubs.

And those without transportation, free bus service will be provided from Granite City, Alton, Collinsville and East St. Louis Saturday forenoon. The bus leaves Granite City at 9 a.m.

The rally will get under way at 9:30 a.m. at the collegiate center parking lot, U. S. 50, Pass 66, two miles southwest of Edwardsville. Park Livingston, Southern Illinois University, Edwardsville, chairman and now chairman of the State Citizens Committee on Education, will be the featured speaker.

Bus lunches for an expected 2000 guests are being provided. Motorists will find parking facilities at the SIU area on By Pass 66 and proceed by shuttle bus to the university's administrative offices on Fangerhorn road.

Helicopter Flights

Helicopter flights over the campus will follow the rally. It will be pointed out at the Saturday breakfast that passage of the bill will provide funds for badly needed building programs at all state universities and hospitals.

State legislators, meeting Sunday at Granite City with AFL-CIO leaders, asserted that \$25 million will be allocated for development of SIU's new south campus. The other \$100 million will be allocated for the development of SIU's new south campus.

Under the schedule of free round-trip bus service from Granite City, the bus will leave Granite City at 9 a.m. and arrive at the Edwardsville SIU campus at 2 p.m. for the return trip.

Sun Blinds Driver Involved In Accident

A motorist who was blinded by the sun while backing out of the driveway at his home, 2710 N. Elizabeth, Wednesday afternoon, was charged with failure to yield right-of-way after being involved in an accident.

James B. Brewer, 34, of 2710 N. Elizabeth, admitted his driver's license as a bond. He told police the sun blinded him and he thought the street was empty. He was traveling north on N. Elizabeth, 20th street, when he was involved in an accident.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Frank Toth, 2816 East 24th street, Kansas City, Mo.; Arnold McClure, 1800 Market street, Madison; Mildred Tessary, 1827 Spring avenue; Martha Nagle, Collinsville; David Cobb, 1010 E. Main; Moberly, 3900 Benton street; Marcia Mitchell, 2801 Herbert street; Virginia Rogers, 1808 Primrose avenue; Ad Hudson, 4188 S. State road; Jackson members of the armed forces in the United States and overseas.

29 WITHOUT A QUAD-CITY TRAFFIC DEATH

By Press-Record Staff Photographer

Disbursements for all purposes amounted to \$8,083,153 during the 1959-60 fiscal year in the Granite City community unit school district, an annual report by Township School Treasurer Henry E. Lueders showed today. It is published as a legal notice elsewhere in this issue.

Expenditures were at this level largely because of construction work on four new schools — a junior high school and three grade schools — and two high school additions during the year ending June 30.

The report lists expenditures of \$4,480,244 in the educational fund, \$3,491,677 in the building fund, and \$111,232 in the transportation account.

With income from all sources reaching \$8,499,606, cash balances increased from \$312,763 in July 1959 to \$272,215 in June 1960.

A breakdown of the old building fund, receipts, expenditures and the new balance follows: educational fund, \$174,408; \$4,766,314; \$4,840,244 and \$460,478; building fund, \$138,354; \$3,617,941; \$3,491,677 and \$266,319; and transportation, none, \$115,450, \$111,232 and \$42,171.

Expenditures of \$10,000 or more in the building fund were as follows: American National Bank and Trust Co., \$430,000 bond retirement, interest and service charge; First National Bank of Chicago, \$34,781; interest and charge; Harris Trust and Savings Bank, \$12,750; bonds, interest and charge; Granite City Trust and Savings Bank, \$1,014,773; treasury bills and income taxes withheld; Illinois Municipal Retirement Fund, \$13,364; Kremer-Hicks Co., construction, \$38,110; S. M. Wilson and Co., \$228,757, construction; Rite Electric Co., \$122,203; construction, maintenance and repair; and Granite City National Bank, \$150,610, anticipation warrant, interest and savings bond; educational fund, \$111,232.

GC Solons Miss Candidates Debate

An appeal by Mayor Davis for a quick council session to hear the first Kennedy-Nixon debate failed Monday night, as the 8 o'clock meeting ran well past 9 p.m.

The mayor said he would have only protest delegations on the animal shelter building location and report of the Finance committee and then adjourn the session. However, the protest talks ran past 9:35 and the mayor apparently gave up, permitting a minimum of one business to be discussed.

High absenteeism is expected at next week's session when at least five aldermen and the mayor will be attending a convention of the Illinois Municipal League in Springfield.

2 Cyclists Hurt In Related Traffic Accidents In GC

Two similar auto-cyclist mishaps occurred less than an hour apart Tuesday morning, with one quite possibly being the result of the other. Neither cyclist was injured.

In the first accident at Marshall and Leonard avenues, 13-year-old James Ridener, 13-year-old James Ridener, sustained minor injuries when his bike brakes failed.

The second mishap in the 2800 block of Washington avenue, four-year-old Terry King, suffered minor injuries when struck by an auto owned by the Ridener boy's father and driven by a relative who was enroute to the school.

The King boy, son of Mr. and Mrs. C. King, 2824 Washington avenue, was riding his bicycle into the street from behind a parked car. Police said the Ridener car was being driven by Miss Ruth Ridener, 21, of 2337 Lee avenue, a nurse at St. Elizabeth's hospital.

James Ridener, who had secured the car from near Granite City Steel Co. where the father, Clarence, is employed.

Mrs. Ridener explained she was unable to get to the hospital because her car was stalled.

Police said Miss Ruth was driving north when the King boy's bicycle rode into the street. He suffered cuts and bruises to the face and bruises to the left arm. A tow truck took the hospital by his father.

In the first accident at 5:20 p.m., the Ridener boy was riding his bicycle north on Marshall avenue when the brakes failed and he collided with an auto driven by a relative who was enroute to the school.

The accident involving the King boy was reported at 6:15 p.m.

Way Funds Spent Main Argument For Manager

(Third in a series. Today's article gives principal advantages of council-manager government. Next Monday's article will give the main advantages of the present Granite City governmental form — mayor-council.)

Why council-manager government? In cities deciding whether to adopt the managerial system — as Granite City has decided Oct. 24 — much is said in support of a "Yes" or "No" vote, but little remains the key point: Why change? Why is one form better or worse than the other?

The burden of proof rests on the proponents for there would be no change unless some improvement would result. A clue to their answer is found in the fact that all hiring and many buying decisions would be made by the city manager rather than the mayor and city council.

The National Municipal League says the public gets more for its tax money under council-manager "because the manager does not owe his job to a majority vote in election in which votes are bought with jobs or contracts." The manager can be hired or fired at any time by the council, but as long as he is manager he is free to make his own decisions on merit.

Study Of Parking, Traffic In School Area

Board Seeks Overpass Or Subway Near GC HS; To Sell Liberty Site

A study of traffic and parking facilities in the high school area is being launched Tuesday night at the direction of the Granite City school board, which also decided to seek sale of the unused Liberty grade school building and site.

Taking note of scheduled widening of Nameeki road in a joint city-state project, the board voted to study the high school area for a possible new highway division to allow for a pedestrian subway or overpass. Expansion of school parking lots was planned, and it was decided to remove present traffic patterns with entrance and driveway changes.

The drawing of proposed parking lot expansion in an area in front of the new gymnasium building, but decided to withhold action until the administrative staff studies feasibility of a lot that would be located between the gymnasium building and Coolidge Junior high.

The 33,000-square-foot area proposed in front of the gymnasium is an estimated \$2000 and would be connected with an existing concrete surface in front of the new GCIS addition.

Board members said the present 35,000-foot gymnasium parking lot should be connected with the concrete surface in front of the high school to afford an easy access point, but several other areas between the gym building and junior high might be more advantageous and attractive than a lot in front.

Wider Drive, Lot Exit

Widening of entrances and exits of present lots and drive ways was discussed, with the common notion that the state highway division might build new entrances to Nameeki road, which carries Illinois Route 111.

A separate exit for the gymnasium lot was rejected several times by the state board, in proximity to the Nameeki road. Madison Avenue, board member Harold Blieshoff, said.

The board instructed attorney Maurice Luley to contact the highway division, district highway engineer, to discuss the 2000 students currently attend the high school and the school, and that the hazards may grow worse if traffic increases after the roadway widening.

After a discussion showed that the district no longer has need for the abandoned Liberty school site, the board voted to ask the township school trustees to call a public sale of the property within 60 days after receiving the request.

Daily agreed to relay all necessary information to the trustees and to perform legal work for the transaction. The attorney said he is sure that the trustees share the board's feeling that a reasonable price should be obtained, and his suggestion that no minimum amount be stipulated was accepted by the board.

Use For School Improvement

Funds derived for the Liberty school building will be used in the building fund for general use and Sup. Harold M. Kaiser will be authorized to sell the property within 60 days after receiving the request.

Auto Crashes Into Downtown GC Store

A slip of the foot caused several hundred dollars damage to the front of a downtown Granite City store Monday afternoon.

The mishap occurred about 3:30 p.m. at Ruth's Store, 1316 N. 13th street, where two large plate glass windows were broken and the store window frame was damaged by an auto which backed over the curb.

The motorist, Jack Langer, 66, of 2161 Pontoon road, told police he was backing into a parking space at a meter when his foot slipped off the accelerator into the accelerator. The car jumped the curb, crossed the sidewalk and rammed into the store front.

No injuries were listed.

MORE ABOUT New Voter Registrations

active service and their spouses and dependents; members of the Merchant Marine, their spouses and dependents; civilian employees of the government in all categories serving outside the territorial limits of the United States and their spouses and dependents, when residing with or accompanying them; also, members of religious groups or welfare agencies assisting members of the armed forces (who are officially attached to and serving the armed forces, and their spouses and dependents).

Persons included in the classifications may vote an absentee ballot by mail or in person at the county clerk's office through Nov. 5.

Civilian Absentee Voting
First day for civilian voters to apply for an absentee ballot is Oct. 10, which also is the deadline for permanent voter registrations or address changes before the Nov. 8 election.

Physically handicapped persons now permitted by law to vote by the absentee ballot method also may apply for a ballot beginning Oct. 10.

Six special centers and six regular locations will be open here this week. Since the deadline is Oct. 10, this is the next to last week to register for the general election.

Those already having correct voter cards expiring July 1, 1964, need not register, but all others must register by Oct. 10 or lose the chance to cast ballots the following month. Miss Hotsi is reminding county residents.

Registration Locations
Three of the special centers will be open for registration tomorrow and Saturday.

They are the Tri-City Grocery Co. store at Bellemore Village, 3250 N. Main, 9 a.m. to 9 p.m. both Friday and Saturday; Manno's market, 1001 Logan street, North Venice, noon to 8 p.m. both Friday and Saturday; and Viola Jones Homes housing project in North Venice, noon to 8 p.m. both Friday and Saturday.

The other special registration places are the Lee Wright Homes housing project on Klein street, Venice, noon to 8 p.m. Saturday; Estes confectionery store, 1402 Coney street, Venice, 9 a.m. to 5 p.m. Saturday; and the State Park Place school, N. Main street, Venice, 9 a.m. to 5 p.m. Saturday.

Regular centers and their hours are as follows: city clerk's office in the city hall of Granite City, 9 a.m. to 5 p.m. Monday through Friday; Mrs. Irene Snider's residence, 3829 N. Main, 7 p.m. to 9 p.m. Monday through Thursday; city comptroller's office in Madison city hall, 9 a.m. to 4:30 p.m. Monday through Friday and 9 a.m. to noon Saturday; Nicholas Studio, 1548 Fourth street, Madison, 9 a.m. to 5 p.m. Monday through Friday; Mrs. Andrew Brown's residence, 810 rear Fourth street, Venice, 7 p.m. to 9 p.m. daily; and Mrs. Thelma Muecke's residence, 600 Lincoln avenue, Venice, 9 a.m. to 5 p.m. daily.

Welder Torch Causes Small Fire At Plant

A minor fire alarm at Union Star & Refining Co. was answered about 8:10 p.m. Wednesday by firemen from the West Cranite station. No loss was reported.

Firemen said sparks from a welder's torch set fire to insulation around steam and sugar pipes between the laboratory and caramel departments along 19th street. The lines located on a steel bridge were being replaced.

MJHS Elects Officers

Students at Madison junior high school elected student council officers recently, and selected Judy Lusk as council president. Other officers are Linda Turner, vice-president and assembly chairman; Gail Stagner, secretary and Maryanna Fisk, treasurer.

Early Morning Blaze

An early morning alarm at 3:40 a.m. today sent firemen from the main station to the Coffee Mill restaurant, 1533 Twentieth street, where grease in the kitchen was burning. No loss was reported.

event of bad weather, the talk will be moved indoors.

Twenty minutes have been allocated for the Venice address, then ahead on to the National City stockyards, on to East St. Louis and set to reach Belleville at noon.

There, at a luncheon at the Augustine restaurant, 250 members of the Madison county Democratic organization will join with some 400 others. Walter T. Simmons, chairman of the county Democrats, will head the Madison delegation.

As a warm-up to the Madison county tour, Sen. Kennedy will address a \$100-plate campaign dinner Sunday night at St. Louis. August Busch is making the arrangements.

Cities To Decorate

City officials and police of Granite City, Madison and Venice are making plans to handle the anticipated throngs. In extending a welcome to the distinguished visitor, bunting, flags and other decorative motifs will garland the presidential candidate's right-of-way.

Special arrangements to handle parking and traffic and the Belleville crowds is also "on the charts" of Granite City Police Chief Raymond Willard, and Granite City Mayor Leonard Davis has set in motion plans to decorate the city.

Aerial bombs will herald the arrival.

Robert Gibson, of the AFL-CIO Committee on Political Education (COPE), said today that campaign hats will be sold Monday, and that early-birds at the Belleville center will be served coffee and doughnuts. Gibson reported, also, that in advance of the arrival of the Kennedy caravan, there would be talks by candidates for office.

These, he pointed out, will in no wise interfere or take from the time allocated to the Democratic presidential aspirant, who will be introduced by Judge Kerner.

GC School Participation

Acting on a recommendation by Supt. Harold M. Kaiser, the Granite City school board Tuesday night authorized a recess for Granite City high school and Coolidge junior high students at about 9:30 a.m. Monday.

The action will enable the students to stand on the school campus or cross Namekoi road to hear and see Sen. Kennedy. As soon as he departs, school bells will ring and they will return to their classes.

Participation will be voluntary, Dr. Kaiser said. Those who wish to remain in school during the special recess will be allowed to do so, he explained.

Commenting that the visitor is a candidate for the highest national office, the superintendent

City Manager Group Sets Dates For 2 Public Meetings

Two public meetings featuring authorities on city manager form of government will be sponsored Oct. 12 and Oct. 18 by the local Citizens for Council-Manager government group. It was announced today by Clarence R. Henry, chairman.

The Oct. 12 meeting will be held at 8 p.m. in the YMCA with Gilbert Alcott of Bloomington as the speaker. Henry said Alcott is "well informed on council-manager government, having taken part in promoting it in Bloomington where there has been council-manager government for the past eight years."

"Mr. Alcott holds no office," Henry added, "he is just very much interested in good city government."

city-manager and a maze of criss-crossed lines of authority under the other forms.

The weak mayor form of government "has shown itself to be a thoroughly inadequate type of municipal structure," the League believes. "In recent years, this form has been discarded by city after city, and virtually no new adaptations are being received."

Divided Responsibility
"Its early extinction should be welcomed. It was most in vogue during the 19th century, when a theory was current that democ-

cracy was best served by direct action by many officials as an emergency measure.

Its apparent simplicity gave the city quick voice but later, after that, many cities discarded it. "More are doing so each year," Los Angeles, for example, Galveston as co-author of the commission plan, abandoned its plan in 1949.

"The typical commission plan has five commissioners elected at large to serve as the legislative body, each commissioner presiding over an administrative department. While it sounds simple, it has been found to have most of the defects of the weak mayor form, and some others peculiar to itself.

"Government under commission form lends itself easily to political manipulation, does not provide successfully for competent department heads or other personnel, lacks a single unifying responsible executive and provides no adequate brakes on government spending. It is conducive to 'back-passing' though the voter tends to make only five choices at the polls, he does not know whom to blame for bad government or to praise for good government."

Policy And Administration
"The chief fault is that it makes no organizational distinction between the policy-making and administrative functions. This is not only unworkable, but it is contrary to American governmental tradition, which from the beginning distinguished between the executive and legislative branches and attempted to keep them separate.

"The strong mayor form has been more successful than either the weak mayor plan or the commission form. But in practice it, too, developed serious weaknesses and in 1916 the Model Charter of the National Municipal League abandoned its recommendation.

"Many cities sought relief from unsatisfactory results by strengthening the mayor and eliminating some or all of the separately-elected administrative officers. Some to possess strong mayor characters, but many others retained enough of the character-istics features of their old charters to make it difficult to classify them.

Strong Mayor Plan
"The true strong mayor plan is where the elected mayor hires and fires most department heads, may veto acts of the council, prepares the city budget for council consideration and may amend the budget after it is adopted. This corrects one of the most serious defects of weak mayor and commission form, lack of a single responsible executive. It also generally separates administration from policy-

making, but it does not eliminate other defects.

"First of these is the possible lack of administrative expertise. Few men are both good executives and good city organization and good enough politicians to be elected.

"Even when a strong executive is elected mayor, there are numerous obstacles in the way of his successful government. The tremendous political effort to achieve election inevitably carries with it strong obligations. His power to make appointments and direct city departments proceeds at the expense of charging those obligations and for maintaining the political machine necessary to re-election.

"In other words, almost any mayor is forced to play politics with the city administration. Only a man of exceptional personality, capacity, determination and ideas could avoid this necessity.

Possibility Of Deadlock
"Another inherent hazard is the possibility of a mayor-council deadlock. Since the council controls the purse strings, it may stop the mayor at any point; the mayor, in turn, can block the council with his veto power. Even where there is little or no open antagonism, councils usually have had a marked disinclination to provide an able mayor with an expert staff necessary for effective management."

An alternative often proposed is a merely is council-manager, which is used by over 1700 communities, including some cities of over 25,000 population, and political scientists call it America's chief contribution to local government.

Chief characteristics are (1) a small council and a mayor elected at large and (2) a professionally-trained city manager hired by the council and subject to dismissal by it.

No basic structural defects have been reported, according to the League. In some cases, strong political machines have retained a hold on the council and a non-professional manager has been injected into the administration. But this is the exception and is not a "political hack" rather than an experienced administrator is chosen as manager.

Managers Judged On Record
"Because the manager is appointed and not elected, opponents say he is far less likely to have political obligations that affect the equality of his administration. Self-interest influences him to no good job, because his appointment and advancement depend directly on his record in office."

Seventy-nine per cent of mayors appointed in 1957 were from out-of-town, compared with 58 per cent for the decade of the 1940s. Opponents see a disadvantage in giving a non-local resident a strong position in the city government. Supporters of the plan point out that most school au-

thorities are not elected, but are appointed by the council.

able capital improvement to be carried out in the same year the money is received. "This will be no trouble. There are so many things that have to be done" under the building fund, he commented.

The Liberty building at 19th street and Park avenue has not been used for classes since the spring of 1959. Three new grade schools were opened in the fall of that year, with Tri-City Park area youngsters assigned to other school buildings than the frame, world war I "temporary" structure. It was pledged during the 1967 bond issue election campaign that the Liberty school would be closed.

The former school was used for a while last summer and fall for storage of school supplies, but most of these materials have either been placed in use or stored elsewhere.

Park To Use Schools
For the school buildings for the Liberty city park district's winter recreation program was approved. As in past years, only the actual extra expenses incurred will be charged to the district, it was decided.

Noting that the West 25th street junior high school gymnasium is being added to the list, Dr. Kaiser said, "The people are very happy with the new school, and this will authorize additional use of the building for the benefit of the people in that area."

Board Member George E. perintendents also are brought in from other areas.

The National Municipal League says "the council-manager plan clearly differentiates between the policy function and administrative function. The people elect the council, which makes government policy, controls the raising and appropriation of funds, levies, taxes and contracts debt. The council also chooses the manager, whose duty it is to carry out its policies, spend the funds it has appropriated, supervise the administration of funds, departments and make all appointments.

"A distinct line is drawn between duties of the council and duties of the manager, and it is made illegal for councilmen to interfere with administration."

The Model City Charter states, "Except for the purpose of inquiry, the council and its members shall deal with the administrative service solely through the city manager, and neither the council nor any member thereof shall give orders to any subordinate of the manager, either publicly or privately."

banks suggested a reciprocal arrangement, noting that the schools use park tennis courts and baseball facilities, and Member Robert Spengler said the park district has encountered some costs in preparing ball diamonds for school teams.

President Homer Huber said the park district is charged for custodial pay and heat only when they are higher than what would be paid normally by the schools. Supt. Kaiser said such charges are necessary because the extra funds are not included in the school budget, and Huber noted that the schools were charged for using the park-owned Lincoln Place Community Center for temporary classrooms.

It was decided to install gates in a West 25th junior high corridor to aid in supervising children using the gymnasium.

No Action On Park Walk
No action was taken on a proposal by Park President Harvey Loman that the school district, city and park district jointly build a blacktop sidewalk across Wilson Park for the use of children walking from the Benton street-Fehling road side of the park to the Niedringhaus grade school.

Bischoff said he opposes the plan. "If we're going to build walks, we ought to first build one from the Slicking Addition to the Maryville road school," Huber said. A Slicking-Maryville road walk would eliminate a bus run, resulting in a saving, since children of the area currently have no direct access to the school and must be transported over a roundabout route.

Spengler said he would make a motion authorizing the park walkway so that a decision could be reached, but there was no second. No specifications were given, and the cost was estimated at \$800, or \$300 to each of the agencies.

It was noted that these currently is a cinder path through the park. Member Ray Monroe Worthen suggested that the board wait to see what action is being by the city on the request.

Winless Trojans, Comanches Tangle Friday Night

Cahokia Is Site Of Conference Opener For Both Elevens

The sweet smell of success on the gridiron has so far eluded the Madison and Cahokia high school squads this season. Both winless in two previous contests this year, the two teams will hook up on the Commonfields gridiron at 8 p.m. tomorrow in the Midwestern Conference opener for both.

The Comanches, 13-6 victims in Madison last year, have dropped a pair of close non-conference decisions in the past two weeks. Belleville Cathedral was a 7-0 winner on Sept. 16 and Greenville slipped past tomorrow's hosts 12-7 last Friday.

Comanche Line Small
Coach John Dal Santo's offensive line averages only 165 pounds a man, but the Comanche mentor feels that speed is more important than bulk when his club is operating with the ball.

"I've been very disappointed in our offense so far. It hasn't started to roll, but I think it will," he said this week. Defensively, Dal Santo has no major complaints.

When Cahokia is protecting its own goal, out come Guards Jim Grant (345) and Jerry Snow (140) to be replaced by Tackles Larry Sanderson and Wayne Perry, both juniors and both about 190 pounds.

"They're inexperienced, but have played most of the way in

our first two ball games," Dal Santo said, adding that it is his hope that the beefed-up defensive forward wall will be able to handle Madison's heavier line.

Gardner Adds Speed
In the backfield, the Comanches may have a trump card in Right Halfback Claude Gardner, a 155-pound senior who is the Midwestern Conference's 100-yard dash champion.

Gardner scored Cahokia's only TD in a converted center, one-yard plunge, and so far has not been able to do the breakaway running of which Dal Santo feels he is capable.

Left Half Louis Murdoch is the only returning regular among the backs in addition to Gardner. At fullback, Dal Santo will use 195-pound Bob Browning, a converted center. Noel Camden, who did not come out for football last year, will call the signals.

More Passing Predicted
"We haven't done much passing so far," Dal Santo said, "but plan to fill the air with football Friday night." The Comanche mentor said scouting reports from the Granite City-Madison game showed some Madison pass defense weaknesses.

Cahokia will operate most of the time from the wing-T line-up on offense, but is capable of going from the straight T-formation. Dal Santo also has been experimenting with the spread formation, which may take precedence over the other two if early pass plays are successful Friday.

Schiltz Rolls Last Place Club Saturday In SIBPA Kegling

Granite City's Bowland Schiltz team stands a good chance to improve its record in the Southwestern Bowling Proprietors Association Classic league Saturday night when the local keggers tangle with last place Pepsi-Cola of East Alton.

Schiltz currently sports a 7-5 record and is in fourth place in the eight-team league, which will roll at the Wood River Bowl at 7 p.m. Saturday. Pepsi-Cola stands 3-8.

Leading Ripley, Pins (9-3) of O'Fallon will be tested by Collinsville's Reverse Room club, tied for second place with Falstaff of Alton. Both have 8-4 marks. Falstaff meanwhile will roll against (5-7) Loman's Bowlers Shop of East St. Louis. Black Label of Belleville and Rusty's of Edwardsville, both with four wins and eight defeats, will meet in the fourth match.

Schiltz's 971 average currently is the third best team mark in the loop, topped only by Ripley's 982 and Reverse Room's 981.

Other MWC Action
Roxana (1-1) hosts Bethalto, one of the four teams in the Midwestern loop still looking for a victory. Friday, Bethalto has yet to score a point this season.

Wood River trimmed both clubs, downing Bethalto 47-0 and Roxana 19-0.

Highland (0-1-1) visits Duplo (1-1) in the third conference test of the evening. The Bulldogs are reportedly improved and the Tigers have been picked as pre-season favorites to grab the MWC laurels.

Berry, Ridings Cited For Play In 7-0 Warrior Victory Over Madison

Back Bob Berry and Guard Bill Ridings drew the nod from Granite City high school's football coaching staff this week for their performances in the 7-0 Warrior win over Madison last Friday night.

Berry, a 170-pound senior, started for the first time on offense against Madison, and ended up playing the entire game on both offense and defense for Coach Andy Sullivan. Running from the fullback position, he averaged a respectable five yards per carry and was one of the chief factors in the Warriors' considerable advantage in the yards-gained-rushing totals for Friday's opposing teams.

Ridings, named lineman of the week twice last season, is a 231-pound guard and co-captain of the Warriors.

A rock in the center of the Granite City defensive line, he led the forward wall Friday with 10 tackles. Both he and Berry will be in the starting

Results of our poll that asked:
"Why do so many well-dressed men choose their clothes at FLEISHMAN'S?"

QUALITY
I like the feeling of confidence I enjoy — and the way their suits keep looking well year in, year out. I think it pays to buy the best.

STYLE
I always find the newest style there. It's not always the right thing for me — but I can try it on and judge for myself. I like selecting where I know they're a step ahead of fashion.

VALUE
Long after I've forgotten the price, I'm still enjoying their suits. To me, that is real value — especially since their price was reasonable in the first place.

SATISFACTION
Everything they sell is backed by their reputation. They're anxious for my complete satisfaction and go out of their way to assure it. I like that assurance.

SERVICE
From time to time, I've requested various extra services — and they've never let me down. Their friendly and expert salesmen are helpful rather than high-pressure. That appeals to me.

VARIETY
They have everything — the items I've worn and liked for years as well as all that's new. I enjoy choosing from complete selections because I know I'll find just what's best for me.

Holder, Bauza Opposing Pitchers As Inter-City Cup Series Begins

Lefthander Joe Holder of Mercer Funeral Home and Ed Bauza of State Savings and Loan in East St. Louis are the probable starters on 2 p.m. Sunday as the final playoff series in the Southwestern Illinois Inter-City Baseball league season gets underway in East St. Louis.

The site of the first game will be at stake is possession of the Jones Park Diamond No. 1 President Vernon Lucas Cup.

which was won last year by Mercer Glass of East St. Louis. Rival Manager Otis Miller of Mercer and Howard Darrt of State Savings, neither wanting to be pinned down too closely, also named their second choices for mound starting assignments. Jack Puente could start for Mercer if Holder is not feeling right, and Jim Spickard is the No. 2 man selected by Darrt. In any case, this latter duty will be available for relief duty if needed.

Mercer—On Paper
Statistics would seem to favor Mercer in the series. The Granite City team had a 19-3 record during the regular season, and has added two more victories to reach the cup series. Mercer won the Elite division title, finishing three games ahead of its nearest rival, McAtter Glass, and came back to beat the Glassmen 4-3 last week and put the damper on some hopes for an all-East St. Louis finale.

And, although the final batting averages in the league are yet to be released by Statistician Carl Wallen, Mercer is almost sure to win the batting title and will place about half a dozen players among the top 12 sluggers in the ten-team circuit.

Late Comers
The State Savings story has been one of late season success. Although able to finish only as high as third in its first season as a member of the league in the fall division, Darrt's crew knocked off Granite City's Sacred Heart and the Red loop champion, McMackin Buick of Collinsville, when the chips were down. The squad will carry a 14-10 record into Sunday's game. Not bad, when it is recalled that the club was one game below 500 with only four weeks left in the season.

Spickard, although pummeled freely during the early and mid-season going, is still looked upon as the top State Savings hurler by Darrt. If not needed Sunday, he will be on the mound the following weekend when the teams move to Wilson Park for the second game of the series. Likewise, Miller is saving the best for last. Andy (9-1) Angel-off is due for a day of rest Sunday, but probably will go against the East St. Louisians next week.

A third game, if necessary, may possibly be played at Lee

Penelton Leads Area Grid Scorers

Edwardsville's Tony Penelton maintained the top spot among individual prep football scoring leaders this week, but Collinsville halfback Fred Krettemeyer stayed right on the heels of the Bengal fullback. The 1-2 scorers among high school performers in this area each accounted for one TD last week.

Penelton, thanks to a 25-point evening against Madison in the opening game, has chalked up 31 points. Krettemeyer has scored four touchdowns in two games for 24 points.

Eleven area players, including Madison's Ken Griggs, are closely bunched behind the leaders. The top point producers:

Kahok Sophomores Trample Madison Grid Team, 47-7

Collinsville high school's sophomore football squad overpowered Madison, a sophomore club in name only in Collinsville Monday afternoon, scoring in every quarter during the course of a 47-7 rout.

The only Madison score came in the final period when quarterback Louis Leonard fired a 30-yard touchdown pass to End Walt Cooper. The Madison roster listed the names of only two sophomores, the remainder of the squad being freshmen.

Coach Bob Page cited the defensive play of Cooper, Harry Harrell and Clint Robinson "in what was otherwise a bad afternoon."

Madison's freshmen squad hosts Coolidge junior high school at 4 p.m. today.

Parker Thanks Fans For Gifts, Commendations

Francis "Salty" Parker, third base coach with the San Francisco Giants who was honored by citizens of Granite City here and in St. Louis recently, expressed his thanks for the gifts and commendations in a letter to the Press-Record this week.

In it, Parker who grew up in Granite City and entered professional baseball almost simultaneously with his graduation from Granite City high school, asked that thanks be accorded "everyone who helped make my affair at the high school and ball park so successful."

Warriors Will Test Vaunted Kahok Passing Game

Collinsville Host
As Clubs Pry Lid
Off '60 SWC Season

Just how good the much-publicized Collinsville passing attack? And is Granite City's defense deserving of the plaudits it has received this year and last?

Answers to both questions should be forthcoming at 8:30 p.m. Friday when the Warriors visit Kahokland to kick off the Southwestern Conference football season against Vergil Fletcher's undefeated squad.

If the game comes anywhere close to resembling last year's 8-6 Collinsville victory here, it should be an interesting evening of football. Andy Sullivan's charges are a zealous bunch bent on revenge for the loss which came in a third-quarter safety at a muddy GC playing field lashed by wind, rain and lightning.

The Redmen, foregoing nearly all contact work this week, concentrated almost entirely on improvement of pass defense. For Sullivan feels, the Kahoks will rely on the strong right arm of Quarterback Fred Riddle, Madison's loss and Collinsville's gain, when the chips are down.

Five TD Passes
Last week in Collinsville's 32-12 win over a good Quincy eleven, Riddle, who played nick and fullback in 1959 after transferring from Madison, completed six of 11 aerials for 113 yards and two

TD's. The previous Friday, he connected for three scores via the airways as the Kahoks humiliated Stanton 39-0.

Granite City will have a noticeable weight advantage in the line tomorrow night. But giving away pounds up front, as they did in their first two games, does not seem to have bothered the Kahoks to any extent.

Fletcher calls the Collinsville line "mobile," and plans to make only one change when the two Kahoks have lost the ball and are defending.

"Good Running Club"
"This is a good running club, too," he said. "(Bob) Meadows is the best running back I've had in a number of years." Meadows, a 140-pounder, will start at right halfback. Fletcher will alternate Ed Gower and Linebacker Ed Evans on the offensive and defensive units, respectively.

"I haven't seen Granite play this year, but we plan to go both ways with the rest of our squad," Fletcher commented. The Kahoks will average 176 pounds in the line and 161 pounds per man in the backfield.

Riddle's favorite targets thus far have been big (210-pound) End Boogie Redmon, back as a senior after skipping football last season, and Halfback Fred Riddle, Madison's loss and Collinsville's gain, when the chips are down.

The Warriors spent most of the time allotted for practice Monday watching the coaching staff diagram and diagnose the Kahok pass pattern in a chalk-

talk. "Head-knocking" was kept to a minimum all week in the Warrior camp because "I want them lean and hungry," Sullivan said.

Wallace Still Out
Granite City will not be at top strength Friday. Regular Quarterback Jerry Wallace is still nursing rib injuries incurred in the opening game against Assumption, and Sullivan will go with Bret Bjorkman at that position. Bjorkman was half of the TD combination against Madison last week, throwing to End Pat Schuman in the only scoring play of the game.

"We could use Wallace only sparingly at defensive safety, if he dresses at all," Sullivan said. The 180-pounder was not at Madison's practice session. The coach also hopes Halfback John Grobowski, handicapped last week by injury and used primarily on defense, will be ready to go full tilt.

E. St. Louis-Alton
Another important Southwestern Conference game Friday pits defending champion East St. Louis against Alton in Alton.

Two teams met in the first SWC game for both last year, too, and a Piveter victory stood up for the entire season as the difference between the league title and second place.

Wood River and Edwardsville apparently much improved over last season, will go at it in Edwardsville, while the seventh conference member, Belleville, engages a non-league foe, Stanton, at home.

Walker's Defensive Play, Andrews' Rushing Are Top MHS Grid Efforts

Madison high school's varsity football team netted only 76 yards against Granite City last week, all of it on the ground, and a check of game statistics shows that a big sophomore fullback was chiefly responsible.

Defensively, the squad played creditably. Coach Glen Pickering felt, with the line being anchored in the second half by a senior end who showed again why he was a member of the all-conference first team last year.

The fullback is 185-pound Ed Walker, named "back and lineman of the week" today by Pickering and the MHS assistant coaches.

Andrews battered his way for 48 yards in 12 carries Friday night. Averaging four yards per carry, he picked up most of it up the middle, where he carried off tackle a number of times on straight handoffs.

Walker, noted more for his

pass-catching ability last year, was a fired-up defender in the final two quarters. Playing right end when Granite City had possession of the ball as well as on Madison's offensive team, he made nine tackles in the ball game.

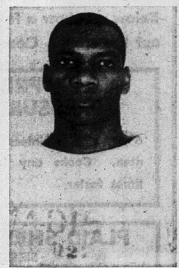

Six of them came in the second half when Pickering gave Walker a "crashing" assignment, and two of those six were behind the line of scrimmage when the big end caught the Warrior ballcarrier in his own backfield after brushing aside Granite City blockers.

Walker also was switched to left end on defense on several occasions when Granite City favored that side of the line for its running plays.

The "back-of-the-week" designation was the first for Andrews, a sparkplug on Madison's freshman team last year. Walker won the lineman award twice during the 1959 season.

Workshop In Alton
Four Granite City high school students, accompanied by Miss Joan Peters, high school physical education instructor, will attend a Girls' Athletic Association workshop at the Alton high school Saturday.

Joyce Bettendorf, Pat Barylske, Betty McCauley and Carolyn Sparks will join with representatives from about 40 southern Illinois high schools in discussing athletic programs for high school girls.

Miss McCauley will serve as moderator for one of the panel discussions, while each of the other three delegates will represent the local high school in other discussion groups.

The delegates will hear an address by Miss Helen Mahley, former consultant in the U. S. Department of Education and a past director of physical education in the University City, Mo., public schools.

Tavern League Playoffs Continue On Sunday Morning; 4 Games Set

The eight teams remaining in the Tavern Softball league playoffs will go at it at 10:30 a.m. Sunday on four diamonds in Madison and Venice to decide the post-season series semifinals.

League champion Sportsman's club will mix with Polish Hall, fifth-place finisher, on the 12th street layout. Runner-up Briggs Tavern, which led the loop until the final two weeks of campaigning and then lost to Sportsman's in a special playoff contest, will face the No. 6 finisher, Bookie's.

Homestead on the Third street diamond. Jug's Hideaway and Mary's Place will meet at Se-

and street, while Green Hall and Club Delmar will play at Lee Park.

Jug's defeated Green Hall in an added third-place playoff game last Sunday, while Mary's Place and Club Delmar were the No. 7 and 8 clubs in the final standings.

Winners of Sunday's contests are paired the following Sunday, with the losers being eliminated. The playoff championship will be decided by a single game to be played on Oct. 16.

Wesclin Deals Devils Third Straight Loss

The Venice Red Devils will be out to break a three-game losing streak at Lee Park tomorrow afternoon when they host the Worden Trojans in the final home baseball game of the season at 4 p.m.

Following early-season wins over Livingston and Dunker Hill, Zahn Wells' team has finished on the short end in Madison-Bond-Clinton Counties Conference games with Aviston, St. Paul of Highland and Wesclin of Trenton.

Wesclin dumped the Devils at home Tuesday afternoon, 6-4, as Venice could come up with only four hits. The boys from Trenton came up with three runs in the sixth inning and added a pair in the seventh to break a 4-4 tie.

Venice scored once in the third and Wesclin twice at 1-1. In the top of the fourth before the Red Devils took a 2-1 lead in the lower half of the same frame, Venice scored two more in the last of the sixth to tie the score once again.

Larry Gray started on the hill for the Devils, and was relieved by John Corrie in the sixth. Corrie, who was the loser, collected two of the losers' four hits, both of them triples. Catcher Don Devany and Bill Cowley singled for Venice's two remaining hits.

Wesclin had a total of eight safeties and committed two errors. The Devils were guilty of four bobbles.

Tri-Cities Synagogue Yom Kippur Observances

With the sounding of the ram's horn, the Tri-Cities United Hebrew Congregation, 1536 Fourth street, Madison, will usher in Yom Kippur, the Jewish Day of Atonement tomorrow at sundown.

Services, conducted by Rabbi Eugene Schoenfeld, St. Louis, will also be held beginning at 8:30 a.m. Saturday and continuing through to sundown.

With Yom Kippur, Jews climax the observance of the High Holidays, which got under way Sept. 21.

Services at the Madison synagogue will feature the singing of the traditional Kol Nidre, and observers of the Jewish faith, Yom Kippur is a period of fasting, meditation and of prayer.

Business places owned and operated by orthodox Jews will be closed. Yom Kippur is the most sacred day on the Jewish religious calendar.

The Tri-Cities congregation has a membership of 30 families. There is no resident rabbi. Rabbi Schoenfeld, who is a cantor, will be heard in the ceremonial presentation of Kol Nidre.

Contractors To Hear Talk By James F. Cannon

James F. Cannon, Springfield, superintendent of the Illinois Division of Industrial Planning and Development, will speak Friday night at a general membership meet of the Council of Contractor Associations for the East Side Industrial district.

The dinner meeting will be at 7 p.m. at the Missouri Athletic Club, St. Louis.

The council represents contractors associations whose members are engaged in industrial construction in the Illinois sector of the greater St. Louis area.

Fracture Suffered In Fall Off Mailbox

Susan Eads, 11, who was hospitalized over the weekend after a fall off a street mailbox, will remain in St. Elizabeth Hospital for at least another week while she fractures to her right leg mend, it was learned from her mother, Mrs. Lloyd Eads, 2490 Waterman avenue.

The girl, a sixth grader at the Maryville road school, was playing on top of a large storage mailbox at Waterman and Stearns avenue when she fell.

North Granite, Venice Twp. Residents Object To Dog Pound Site; Solons File Petitions

Protest petitions from North residents of Tri-City Park objected it is to be built in the animal shelter building. If the animal shelter building is to be built in the animal shelter building, it is to be built in the animal shelter building. If the animal shelter building is to be built in the animal shelter building, it is to be built in the animal shelter building.

The aldermen pointed out to him a concrete plan and an animal shelter building in the vicinity of the animal shelter building. He asked if they did not present problems and have a bearing on property valuations.

However, Oliver stressed that residents of the area were given no choice. The account of the council's action was read on Thursday and the purchase was completed. The account of the council's action was read on Thursday and the purchase was completed.

He asked for a spokesman from the capacity audience to address the council. The spokesman from the capacity audience to address the council. The spokesman from the capacity audience to address the council.

His primary objections, and those of the 72 petitioners were the dog building would become a health menace, a nuisance and cause depreciation of nearby property. The 86 petitioners of the North Granite area, some of them residents of the town and others of Nanticoke, township, voiced the same objections.

High-Ranked Britisher Inspects Locks, Depot

One of the world's largest locks is right here and is being inspected today by the army chief engineer of the United Kingdom, British Maj. Gen. T. H. F. Foulkes, OBE (Order of the British Empire).

This afternoon the Britisher made an inspection tour of Chain of Rocks locks, which is 200 feet longer than the better known Panama canal locks.

This forenoon he visited and toured the Granite City Army engineer depot. A companying Maj. Gen. Foulkes was Col. John R. G. Finch, British liaison officer for the Corps of Engineers.

Col. Jack C. Jeffrey, commander of the Granite City Engineer Depot, was host here, and also escorted the visitors was Col. R. Purcell of District Engineer headquarters at St. Louis.

B-I-A Dinner Set For Next Wednesday

Reservations are being accepted for the 15th annual Business-Industry-Agricultural meeting of the Tri-Cities Chamber of Commerce to be held at 6:15 p.m. next Wednesday at St. John's United Church of Christ.

Charles B. Shuman, president of the American Farm Bureau Federation, a nationally known farmer, will be guest speaker and a record number of 115 local farmers and wives are to be special guests of the C. of C. It was learned from Howard Kaseberg, chairman of the C. of C. Agricultural committee, who will introduce the speaker.

Schuman's topic will be "Present Day Problems in Agriculture." He and his wife and 24-year-old son are driving here from Chicago and the next day will proceed to southern Missouri.

Samuel L. Meyer, currently president of the C. of C., will be master of ceremonies provided toastmaster, and new C. of C. officers, to be elected at a directors meeting on Tuesday, will be introduced. Entertainment will be by the Fairview Four.

Painters Volunteer To Paint UF Slogans On Walks

Volunteers from Painters Local 120 will aid the forthcoming Tri-Cities United Fund campaign on Saturday when they will paint slogans on downtown sidewalks. Permission was granted during Monday night's city council session.

H. K. Bertrian said three or four painters will do the job, starting about 9:30 a.m. The volunteers include Guy Cooper, Ralph Johnson and Edward Lane. The UF slogan, "Give The United Way," and a United Fund symbol "U" are to be painted on sidewalks and curbs to remind Quad-Citizens of the fund drive which starts Oct. 13.

Officers, to be elected at a directors meeting on Tuesday, will be introduced. Entertainment will be by the Fairview Four.

SOCIETY Language Program Topic Of PTA At Coolidge School

The foreign language program was a topic at the Coolidge junior high school PTA held its initial meeting of the school year Monday evening in the all-purpose room.

Charles H. Jungels, president, led the pledge of allegiance, and the PTA prayer was offered by Mrs. Valerie Evident.

Jungels gave a brief welcoming address and introduced as members of the executive board Raymond Henley, first vice-president; Mrs. Doris Thompson, second vice-president; Mrs. Evident, recording secretary; Mrs. Vyvayne Durbin, corresponding secretary; and Harold Hill, treasurer.

Ralph Frohardt, Coolidge principal, introduced several members of the faculty and later presented a resume of the general curriculum at the junior high level. He described the foreign language program, being offered to seventh and eighth grade students in conversational Spanish and German and various electives allowed.

Frohardt also discussed the widening opportunities afforded students in home economics and industrial shopwork, along with varied academic subjects.

Ed Wagner, PTA District 29 executive board member, invited officers and members to the 25th annual conference Friday, Oct. 7, at Kampsville for units in Calhoun, Jersey and Madison counties. A new district director will be elected. It was announced that the Citizens for Moral Decency will hold a special meeting Oct. 6 at Marshall school, with Dr. Robert H. Steinkeller, assistant professor of SIU, as guest speaker.

The evening's entertainment was provided by Caroline Francis, eighth grade student, who presented a piano interlude, and Jill Rayburn, who gave a tap dance routine, complete with straw hat and cane.

Refreshments were served to approximately 100 parents by Mrs. Doris Thompson and Mrs. Doris Blumentstock, hospitality co-chairmen. The next meeting will be Oct. 24.

Neighborhood Two Girl Scout Leaders Meet

The opening meeting of the autumn and winter was held by Girl Scout leaders of Neighborhood Two Tuesday evening at Emerson school.

Mrs. Wilma Haddock, chairman, was in charge and 19 leaders attended.

Announcement was made of the annual recognition dinner for all leaders to be held Oct. 13 at 6:30 p.m. at First United Presbyterian Church, 22nd street and Delmar avenue, reservations for which must be made through the Scout office by Oct. 5.

Mrs. Hancock and Mrs. Freda Forrester were selected as representatives to attend the National Girl Scout convention in St. Louis in November, and the fall cookie sale for senior and intermediate Scouts was outlined by Mrs. Norma Walton, cookie chairman for the Neighborhood. The "kickoff" will be held at 9:30 Saturday morning at the Washington Theatre.

After the meeting was dismissed refreshments were served.

Sorority Holds Scavenger Hunt

Eta Chapter of the Phi Tau Omega Sorority met Tuesday evening at The Den, the highlight of the evening being a scavenger hunt with three teams participating.

Mrs. Mary Evelyn Yenko, Mrs. Lavada Knobe, Mrs. Ann Titum and Miss Mary Hassler were hostesses, and the winning team, upon their return after the hunt, was presented with prizes.

In the latter group were Mrs. Melba Greathouse, Mrs. Ruby Logan, Mrs. Peggy Burch, Mrs. Marilyn Cottrell, Mrs. Laura Boyd and Miss Dolores Sheridan.

In addition to prizes won by the team there was a special award for Mrs. Burch.

Refreshments were served to the guests, Mrs. Ethel Zimmer, Mrs. Cottrell, Mrs. Van Stuart, Mrs. Burch and Mrs. Jo Calvo, and approximately 18 members.

RETURN FROM EAST

Mr. and Mrs. St. Clair Shupert, 4224 Nameoki road, returned Tuesday from an 11-day trip to Pittsburgh, Pa., and a visit with their son-in-law and daughter, Mr. and Mrs. Clarence McGovern, who moved recently from Granite City. While they were away they also visited Niagara Falls in company with the McGovern.

Demo Club Opposes City Govt. Change 'At This Time'

The Granite City Democratic club spoke out last night against any change in the form of municipal government "at this time."

Meeting at the YMCA, the non-official, partisan organization, entered a decision against a change-over to the managerial form of city government. A referendum on adoption of the council-manager system for Granite City will be before voters on Oct. 24.

It was emphasized and reiterated that the club's action was not a manifestation of endorsement nor of condemnation of the present city administration.

Motion by Ed Alderman Frank Vasei made the motion, seconded by Robert Gibson.

"The Granite City Democratic club does not advocate a change-over to the managerial form of city government at this time."

The proposition was approved by voice vote. It was not known since there were "no" responses.

Richard Allen questioned the wisdom of the club taking a position on the upcoming referendum question.

"In view of considerable lack of confidence in the present administration, I don't want the club to take any precipitous action that might be construed as an endorsement of the present city government," Allen argued. Gibson maintained the vote was in no wise to be interpreted as approval of or a slap at City hall.

Club President Explains Atty. Horace L. Calvo, club president, summarized the stand taken by the 30 men and women present as ostensibly against acceptance "at this time" of the managerial plan, not criticism or a vote of confidence in the city's present government.

Earlier, by unanimous action, the club went conclusively on record backing the Universities and State Welfare Building Bonds issue on the Nov. 8 ballot.

Alderman Vesce maintained that, even if a change of city government form was indicated or desirable, it would be entirely unnecessary to go beyond the Granite City precincts to find individuals exceptionally qualified to handle the managerial tasks. It has been the practice of most municipalities to go outside the community in the selection of a manager. A change now would be untimely, he asserted.

In his talk, Gibson said that former President Harry S. Truman had been invited to speak at a Democratic fund-raising dinner planned for

Club Pack 23 met Tuesday night at Stallings school with Jacob Gettleman, custodian, conducting his last pack meeting before retiring in favor of Charles Gettleman, who will succeed. There are three retiring den mothers, and it was announced there is a need for new ones.

A new member, Michael Barton, was welcomed into the pack. Larry Harvey and Herb Williams received awards. A treasury report was given by Roger Bowler, and den mother training will be held Oct. 12, 19 and 26.

The pack meeting has been permanently moved from Wednesday night to Tuesday at 7:30 p.m. at the school. Bringer announced that the boys should wear Halloween costumes to the October meeting. Refreshments were served by Mrs. Bringer and mothers of the boys in Den Four.

Den Four Troop 121 held its first meeting Tuesday evening at the home of the leader, Mrs. Evelyn Bringer.

The meeting started with get-acquainted games, and the group reviewed the Brownie promise, hand-shake and salute.

The girls made paper dolls and Mrs. Bringer read them the Brownie story. Each girl was given a "good deed leaf" to take home. Refreshments were served to Kay Neuninger, Jean Funkhouser, Rita Krause, Sandra Ernst, Frances Bringer, Sharon Hughes, Sandra Freeman, Brenda Miotler, Sandy Deatherage, Elaine Rousell, Judith Baker, Daris Sneed, Debby Grace, Sally Gettleman and Minnie Midgrett.

Mrs. Dorothy Ketcham, 3828 Lake drive, entertained with a come-as-you-are party Tuesday morning. Games were played and prizes were awarded. Refreshments were served to Mesdames Elmer Gettleman, Priscilla Young, Ruby Miller and daughter, Nancy. Bea Harvey and daughter, Debbie, Mary Phillips, Sherry Davidson and sons, Stanley and Kenny, Lillian Lockridge and son, Vernon, Alida Bryant and Mrs. Florence Deatherage and daughter, Mary Lou.

Granite City prior to election day.

Gibson explained that the former chief executive had promised to come into southern Illinois during the 1960 campaign, and that efforts were being directed to persuade Mr. Truman to meet this "obligation" in an appearance at Granite City.

Downwind 'Indians' Put Bow-Arrows Away

Plastic tipped arrows were endangering motorists on a parking lot in the 1900 block of Cleveland and Blvd. yesterday afternoon when police were summoned.

The officers reported two teenage boys were attempting to "shoot down" a top parachute that was caught in utility lines in the alley.

The boys were advised to use other means to recover the parachute.

MRS. PYLE HOSTESS

Mrs. Lu Pyle was hostess to the Evening circle of the Nameoki Presbyterian Women's Association Tuesday evening in her home, 1716 Moro avenue. Mrs. Betty Flinn, association president, conducted the meeting and Mrs. Bonnie Britton gave the Scripture reading. Missionary names were read by Mrs. Irma Taylor, who also offered prayers for them.

Mrs. Pyle, world service chairman, announced that a clothing drive is still in progress and will continue through October through the Quad-City Council of Church Women.

"After Death, What Then?" will be the title of the association meeting Oct. 10. Mrs. Twyla Marcum, program chairman, said. Mrs. Beatrice Pyle led the Bible study, "On Learning About Hatred," from the Hymn Book of the Ages.

The meeting closed with circle prayers, and the hostess served a late dessert course. Others present were Mrs. Mildred Fleeter, Mrs. Ann Freeling, Mrs. Edith Arbogast, Mrs. Jung Kim and Mrs. Fern Mitchell. Mrs. Fleeter will be the Oct. 23 hostess in her home, 3524 Johnson road.

SCOUT LEADERS MEET

Girl Scout leaders of Neighborhood Five met Tuesday evening at the Maryville road school. Present were Mrs. Pat Welch, neighborhood chairman; Mrs. Wanda Mayberry, Maryville road school organizer; Mrs. Wilma McGinnis, Nameoki school organizer; Mrs. Louise Koester, secretary; and Mrs. Shirley Thompson, publicity chairman.

Fall plans were discussed, with the annual cookie sale slated from Oct. 29 to Nov. 3 for intermediate and senior scouts; a leaders' recognition dinner at the First Presbyterian Church on Oct. 29; an advanced first-aid course to be offered by Mrs. Cele Trachel at St. John United Church of Christ, beginning Oct. 26 from 1 p. m. to 3 p. m.; a badge and rank course on Oct. 4 and 6; and the national Girl Scout convention to be held in St. Louis.

Refreshments were served and the next meeting will be Oct. 25 at the Maryville road school.

Perkins Elected Amvet Post 204 Commander

Harry Perkins, 1614 Third street, Madison, was elected commander of the Madison Amvets organization for the coming year during a meeting held last night at the Polish Hall.

A public installation of the officers of Post 204 will be held next Wednesday at 8 p. m. at the Polish Hall.

Elected with Perkins were Steve Kusnerich, 1st vice-commander; George Bunnell, 2nd vice-commander; Anthony Vavra, 3rd vice-commander; Edward Uherick, adjutant; Sam Boshkoff, finance officer; Vasil Gravelle, public relations officer; William Vavra, service officer; Robert Blatter, historian; John Gravelle, chaplain; Austin Lewis, judge advocate; Anthony Turski, surgeon general; and Manuel Kastin, provost marshal.

Vasil Gravelle submitted a report on an Amvet campaign now underway in which members are urging every eligible citizen to go to the polls in November. Members of Post 204 are distributing voting information to the public.

Arrests Follow Mishap

A collision in the 2000 block of Edwardsville road at 4:30 p. m. Tuesday damaged the front of the eastbound auto of Gerold E. Leibold, 1404 Kirkpatrick Homes, and the rear of the eastbound ton-and-a-half truck of Clarence A. Voegelé, 37 Route One, Marine, Ill. Madison police charged Leibold with reckless driving and Voegelé with stopping in a traffic lane. Each was released on his license until a hearing Saturday.

Two Hit-Run Crashes

Two hit-and-run collisions occurred early Wednesday morning in Venice. Parked autos damaged were those of Thomas L. Miller, 1223 Bissell street, in front of his home and John Bailhorn, 208 Graniteville street, in the 1900 block of Fourth street. The car leaving the scene on Bissell street was described as a green station wagon.

PACK 93 COMMITTEE

A committee meeting for Cub Pack 93 was held Tuesday evening in the home of Mr. and Mrs. David Bourisaw, 1724 Primrose avenue. Bourisaw is cubmaster and conducted the meeting.

Plans were made for the pack

meeting to be held the third Friday of every month, and the committee meetings will be on the preceding Monday. Awards chairman and window display chairman will be Kenneth Graham and Lonnie Sheppard. Sheppard is also the new Webelos leader. Bert St. Ivary was

named assistant cubmaster. The next meeting will be Oct. 21 at 7:30 p. m. at Nameoki school and will be a costume party for both the parents and children. There also will be a Bobcat ceremony and an award given to the cub who makes the best poster on the current

month's project. "Fire Detection," Bourisaw announced that ham, Charles Schaefer and George Webb.

HONORED ON BIRTHDAY
Mr. and Mrs. Bill H. Miller entertained friends and relatives Tuesday evening in their home, 1750 Venice avenue, in honor of

the 14th birthday of Mrs. Miller's sister, Marilyn Seibold. A late buffet dessert course was served, with a cake decorated in a teenage theme used at the centerpieces. Gifts were placed on the table around the cake.

Guests were Mrs. Minnie Seibold, Robert Schmidt, Mrs. March Bohner, and Mrs. John Ryan and Mrs. Lennie, Miss Barbara, Robert Harris Mr. and Mrs. Austin Witter and son, Randy, Miss Karen Simonoff and Miss Jimmy Ann Rydgi.

Eagles Auxiliary Honors Past Presidents At Dinner

Past presidents of the Eagles Auxiliary were honored at a dinner meeting Tuesday evening. The meal was served at 6:30 at the Eagles Home, and the party followed with gifts presented to the 14 guests of honor. Also honored and presented with corsages and other gifts upon being escorted to the altar were Mrs. Frances Steinman of the local Auxiliary, who was recently installed as state president, and Mrs. Edna Wolfbrandt of Collinsville, state outside guard. Mrs. Viola Carey, president of the Auxiliary, opened the meeting and presented a corsage to Mrs. Delores Klesh, one of the local members, who was installed as chaplain of District Eight at a meeting in Wood River over the weekend. During the business session, Mrs. Ellen Rickert and Mrs. Earlene Frame were installed as trustees and outside guard by Mrs. Steinman. Mrs. Gladys Newman reported on a visit to the Madison Nurs-

ing Home, and Mrs. Angie Buehler gave a résumé of her visit to the Madison County Sanatorium in Edwardsville. Mrs. Alton Koster has been named chairman to visit the Sanatorium once each month, and a birthday march was held with eight members participating. Mrs. Sylvia Oepek submitted a report on the recent rummage sale and Miss Sylvia Roy discussed a project to be held Oct. 9 at the Eagles Home. After a talk by Mrs. Steinman, the past presidents were escorted into the hall and each lighted a candle on a large birthday cake. There were brief talks by all of the group who entertained the Auxiliary with skits and songs. The prize for the evening went to Mrs. Grace McGuire, and Mrs. Blanche Scantlin was awarded the "white elephant." An officers' meeting will be held Oct. 4, and the next Auxiliary meeting will take place Oct. 10. Approximately 75 members and guests attended Tuesday's party.

Niedringhaus PTA 'Get Acquainted' Meeting Held

A "get acquainted" meeting of the Niedringhaus school PTA, the first of the season, was held Tuesday evening in the school auditorium. A record attendance was present, including the new officers and the school faculty. Parents visited informally with the teachers in classrooms prior to the meeting which was opened by Rev. David Maxton, pastor of First Presbyterian Church, a former parent at the school. The colors were presented by Cub Pucks Two, Three, Four, Five, Six and Seven in a flag ceremony. Harold Hillner, PTA president, presented the new officers, Mrs. Thomas Thorne, Mrs. John Ropac, Mrs. Charlotte Griffith, Mrs. Edward Jenkins and Miss Marguerite Baker. The new room mothers introduced were Mrs. Alton Skirball and Mrs. Gale Jones, kindergarten; Mrs. William Moss and Mrs. Jean Knox, first grade; Mrs. Marie Parks

and Mrs. Lorraine Rant, second grade; Mrs. Regina Conway and Mrs. Diana Schwendeman, third grade; Mrs. Muriel Kratz and Mrs. Dorothy Maer, fourth grade; Mrs. Thelma Baker and Mrs. Marilyn Bartels, fifth grade; and Mrs. Maxine Elston and Mrs. Margaret Fifield, sixth grade. Gerald Bushue, principal, welcomed the parents and introduced the teachers. Savings stamps are again being sold at the school on Wednesdays. Safety of children crossing Madison avenue was discussed and after a lengthy discussion action was taken giving power to a committee to act in behalf of the district. Invitations were read from the Illinois Congress of Parents and Teachers to a conference to be held in Kampsville on Oct. 7; and from the Granite City Area Council of Illinois PTA to a meeting in the Mitchell school at 7:30 this evening. Attendance awards went to Mrs. Kraft's and to Mrs. Relsko's rooms, and Mrs. Pauline Bundy was winner in a contest, receiving a prize. The meeting was closed with a

55th Anniversary For Leo Wises

Mr. and Mrs. Leo Wise, 2437 Delmar avenue, lifelong residents of this area, celebrated their 55th wedding anniversary at a surprise dinner party arranged by their family and given at the home of a daughter, Mrs. Thelma Hoffmeier in Wood River, this week. Mr. Wise is 77 and his wife is 72. They have two children beside Mrs. Hoffmeier, Maynard Wise of St. Louis and Mrs. Georgia Karalas of Hammond, Ind. 19 grandchildren and four great-grandchildren. Two of their children are deceased. At the time of his retirement in 1937 Mr. Wise was employed as a round house foreman. Prior to that he operated the Wise Garage on Edison avenue for 22

Harrison, historian; and Mrs. Edith Rhodes, musician. Mrs. Agnes Meng served as pianist and Mrs. Louise Potillo sang "Invisible Hands" and "Always." Mrs. Alexander was presented with a gift and presented other retiring officers with gifts. A gift was planned for Mrs. Ann Stucke, who is confined to her home due to illness. Out-of-town guests were Mesdames Ida Feldman, Luella Leitner, Laura Kassing, Inez Augburger and Doris Koenig of Edwardsville. Refreshments were served after the adjournment. The next meeting Oct. 25 will include the group's annual birthday supper.

ELECT OFFICERS

Mrs. Lorraine Creighton was elected president of the Joy Sunday school class of the First Methodist Church Monday evening at a monthly meeting held in the home of Mr. and Mrs. David Richardson, 2113 Troy avenue, Madison. Other officers elected were David Richardson, vice-president; Mrs. Betty Ballentine, secretary; and Mrs. Wesley Clemens, treasurer.

They will take office at the next meeting, for the new year. Plans were made for members of the class, along with women of the church, to meet at the church Saturday morning for a "work day." The women will clean and wax the church, while the men paint the league room and work on the nursery room.

The lesson for the month was given by Mrs. Richardson on "Faith or Fear." The members discussed the topic for the remainder of the time.

Refreshments were served by the hostesses to the members, Mrs. Estelle McBride, and Mrs. Albert Robertson, Mr. and Mrs. Louis Creighton and daughter, Carol, Mr. and Mrs. Robert Black and children, Mary Ann, Margie and Anita, Mr. and Mrs. Jake Ballentine and children, David, Freddie and Jack, Mr. and Mrs. Robert Graves, Wesley Clemens, Rev. Russell Olsen and the Richardson children, Johnnie and Lisa. The next meeting will be held at the church.

HONORED ON BIRTHDAY
The 13th birthday of Andrew Ratkiewicz was observed with a party Monday evening at the Polish hall for members of the Twilight Youth club and mothers, by his mother, Mrs. Ratkiewicz.

A home-baked decorated cake adorned the refreshment table. Dancing and games served as entertainment. Many gifts were opened.

Those present were Linda Krap, Susan Kaman, Kathleen Hunkla, Marie Steiner, Geraldine Ropac, Mary Mossa, Susan Schwartzman, Judy Barger, Sandra Turka, Larry Sabo, John Sabo, Jack Miller, Tom Miller, Frank Anthony Broyles, Camie Krawicki, Stanley Banayak, Anthony Ratkiewicz, Harry Clark and Gary Honerkamp, Mrs. Lucille Broyles, Mrs. Betty Sabo, Mrs. Stanley Krawicki and daughter, Cecelia, Mrs. Rose Schwartzman and daughter, Jeanne, Mrs. Mary Mossa and daughters, Aleene and Joyce, Mrs. Lee Krap and daughters, Debbie and Kathy, and Mrs. Wanda Sabo and daughter, Melody.

BARBECUE PARTY

A barbecue party for the bowling league sponsored by the Madison Nursing Home was given Sunday at Lee Park by Mrs. Cora Baez. Approximately 25 were present, including the team members and their friends.

2 MOTORISTS ARRESTED

Two motorists were arrested Monday night at 18th street and Madison avenue on traffic charges. Loren L. Madison, 26, of 4100 State Route 111, was charged with reckless driving and was freed after posting his driver's license as bond, and Edward Street, was charged with speeding. He also posted his driver's license as bond.

Demo World Unrosy: Polls Favor GOP

A state of the political arena, State Rep. Lloyd "Curly" Harris, (D), Granite City, isn't viewing the current presidential campaign through rose-colored glasses.

He said today that public and private polls indicated Vice-President Richard Nixon is leading his Democratic opponent by a 5% margin in Illinois.

This, he argued, places on Democrats the responsibility of working harder to insure the election of Sen. John F. Kennedy. Harris said he felt, however, that Madison County would remain safely in the Democratic column.

The injection of the religious issue, he explained, may alter standing patterns of voting in this state and throughout the nation. Harris has served in the lower house at Springfield for 24 years.

Bicycle Fall, Other Emergency Cases

Knocked unconscious when she fell from a bicycle Wednesday evening, Sharon Scaturro, 13, was given emergency treatment at St. Elizabeth Hospital, x-rayed and released. She is the daughter of Mr. and Mrs. Bernard Scaturro of 4210 Maryville road.

Also given first aid treatment Wednesday evening was three-year-old Mitchell Abbott, who fell against a coffee table and cut his lip. He is the son of Mr. and Mrs. William R. Abbott, 2823 Emme street. Two stitches were taken.

Peter Santagato, 15, of 2525 Edwards street, sustained injury to his left thumb during an evening baseball game. He was x-rayed and released.

Stone Mountain, Ga., 16 miles east of Atlanta, is thought to be the largest exposed block of granite in the western hemisphere. It is 1686 feet high and two miles in length.

Ballots To Be Colorful

Madison county voters will have a veritable spectrum of color in hand when they go into the ballot booths on Nov. 8.

As a means of identification and to simplify counting, various color inks are used in printing the ballots, according to County Clerk Miss Eulalia Hottel.

The ballot listing candidates for national, state, district and county offices will be printed in black ink.

Referendum ballots on the Universities Bond issue in blue ink; the Public Welfare-Mental Institution Bond issue in brown ink; the county health department ballot in green ink. Absentee ballots are now available at the clerk's Edwarsville office.

School Holiday Oct. 14 Due To Federation Meet

Granite City's school board Tuesday night approved elimination of classes on Friday, Oct. 14, at the request of Local 743, American Federation of Teachers. The action will enable the teachers to attend an AFT conference that day with other locals in Madison and St. Clair counties.

The request arrived after adoption of the 1960-61 school calendar. The AFT meeting had been set for Oct. 21, the same day as an Illinois Education Association division meeting, but was changed so that those who are members of both groups can attend both sessions. Both will now be holidays for students.

With the action trimming the 177-day calendar to the minimum of 176 days required by the state, the board added Monday, Dec. 13, and Tuesday, Dec. 20, as days of school. The understanding among board members is that one day will be trimmed off at the end of the spring term, if it has not already been lost due to bad weather, to conform to the 177-day total announced for this year.

Board members said a "cushion" over the bare state minimum is needed and noted that the 177-day level should not necessarily be followed in future years. A higher total was suggested.

176 Needed For State Aid
State aid, which accounts for over \$1,000,000 of the district's annual receipts, is denied if 176 school days are not completed. With one day lost in 1959-60 due to heavy snowfall, teachers went on strike on the last day of the term and it was necessary to conduct school without many of them in order to qualify for state aid.

Supt. Harold M. Kaiser said it is the school district's intention to hold classes for those who can attend, despite adverse weather, since there are no hills here, as there are in areas that frequently close their schools. Even if buses cannot operate, this affects only 2000 of the 11,000 Granite City community district students, he noted.

While this is the plan, there is still a possibility of school days being lost due to weather, Dr. Kaiser said, adding that freezing rain or other conditions conceivably could make school operation impossible.

Board Member Herbert Blisch suggested that parents be reminded of the district's existing policy of retaining students in the event of a tornado warning, except those called for by their parents. Under this procedure, those remaining are directed to the safest areas of the school buildings.

Dr. Kaiser said that while this policy will be followed, it is possible that buses would be ordered and schools dismissed early in the event of a blizzard forecast.

Bernard Finds 4 Local War Dead At Anzio Site

Remains of four Quad-City war dead are buried at the cemetery at the Anzio battle site in Italy, Attorney Burton Bernard told Madison Rotarians yesterday. He visited Anzio during a six-week tour of Italy, Israel and India this summer. The 7000 grave markers include those of Theodore Nizinski of Madison and three Granite Cityans, Staff Sgt. John Gray, Pfc. Omer Atchison and Pvt. John Gilmore, he reported.

Bernard discussed evidence he found of Rome's role as the birthplace of western culture, and told of problems existing in Israel since it was created 12 years ago and India since it gained independence 10 years ago. He said U.S. racial prejudice is a serious deterrent to friendly relations with such nations as India. He was introduced by Olex Schenckhoff, program chairman.

Seek Bids On Madison- Venice Animal Shelter

Construction bids on an animal shelter to be financed and operated jointly by the cities of Madison and Venice will be received at the Madison city controller's office until 3 p.m. Tuesday, Oct. 18, it was announced today. The shelter is to be built on the Madison pumping station grounds located at a point in Venice between Rietz street and the Engineer Depot road, adjacent to the Merchants Bridge approach. Exact manner in which the cities will divide the costs has not been decided, but a per capita basis has been suggested. Madison officials will supervise the bidding.

GC Harriers Run Third In Alton Tuesday

Despite a third-place finish Tuesday afternoon in a triangular cross-country meet at Alton, Granite City high school Coach Dick Harmon and his squad are optimistic concerning the future. The meet was won by Alton with 18 points. Collinsville finished second with 51 and Warrior harriers totaled 67. Both the Redbirds and Kaboks squads had two previous meets stowed away prior to Tuesday's jog over the hills and 8/10th of a mile.

The Redbirds placed seven runners among the first nine to finish, including winner Dan Watrous, whose time was 9:13. The first Warrior runner to take the stopwatch was Dave Moss, who finished 10th in 10:03.

"Actually, I wasn't too disappointed in our showing," Harmon said. "We've been running time trials over our own 2 1/2-mile course and the boys have cut about 30 seconds off their initial times in a week. There's room for further improvement, and I think we can make it."

Other Granite City finishers among the top 25 were Gaynell Rollins, 11th; Keith Veizer, 14th; Jim Richie, 15th; Charles Kennerly, 17th; Larry Keel, 22nd and Bob Oliver, 23rd.

The Warriors are in Edwardsville tomorrow at 4 p.m. to compete in a triangular meet with the Tigers and Collinsville.

School Treasurer Bond Increased

With the amount of the National-Granite City town ship school treasurer's bond increased by County Supt. Wilbur Trimphe and personal signatures no longer obtainable, payment of a \$1526 two-year bond premium to the Lueders Agency was authorized Tuesday night. The payment was requested by township school trustees and will be made from Granite City school district funds.

Treasurer Henry Lueders told the Press-Record yesterday that Trimphe has ordered the bond increased from \$250,000 to \$400,000 due to higher school expenditures. Lueders said he told the trustees at a special meeting Tuesday that because of the increase and the transfer of school funds from the Trust and Savings Bank to the First Granite City National Bank, he could no longer provide a personal bond signed by Henry D. Karandjeff, a. Carl Graham.

Only other item of business at the trustees' meeting was approval of an easement for an East Side Levee and Sanitary district stormwater drainage line on the Wilson avenue grade school campus. Lueders said. He added that the date of the trustees' semi-annual meeting in October has not been set.

School Board President Homer Huber questioned Tuesday night why a personal bond cannot be obtained, and School Attorney Marvin Dean said the higher amount is no longer within local individuals' ability, since double surety is required on personal bonds and the change increased this from \$500,000 to \$800,000. Daily said the \$2,000,000 bond figure is still reasonable in view of the large amounts of money handled.

Business Contractor Payment The school board also discussed in detail another bill, a final payment of \$2228 to M. Wilson and Co. for construction of three grade schools and a junior high school. It was decided to delay payment until remaining items on a check list are completed.

Huber urged payment as soon as possible, noting that a year has passed since some of the grade schools were opened to students. A review of school records showed that Architect Joseph D. Standish has recommended final payment. School Engineer Marvin Dean said the contractor has been cooperative and that some of the remaining work could not have been completed earlier.

Board Member Robert Spengler said a concrete sub-contractor, Paul Seebold, should have been paid by the school district if all but \$3228 of the \$2,000,000-plus project has been paid by the school district. He was told that the \$1600 is the subject of litigation between Wilson and Seebold, centering on a disagreement over responsibility for concrete poured and rebar set in the East Ford school, but that the case does not directly involve the school system.

AFL-CIO Services, Nurses UF Beneficiaries

Joined in the fellowship of the 18 health, welfare and character building services and agencies under the banner of the Tri-Cities Area United Fund are the AFL-CIO Community Services and the Visiting Nurse Association.

Their work and the civic and health benefits resulting therefrom, has won United Fund support and recognition.

Consequently, out of the grand total of \$285,461 set as the goal of the UF drive beginning Oct. 12, there are allocations to these agencies, both of which work in and outside the immediate Tri-City area.

Under the UF distribution chart, the Visiting Nurse Association has been assigned \$3300.

the AFL-CIO Community Services, \$3500.

Headquartered at 1330a 19th street, the AFL-CIO Services are organized into the Aflon, East St. Louis and the Tri-Cities section. Val Cox, director, has listed the paramount goals, aims and benefits of the organized labor group as:

To act as a liaison between organized labor and health and welfare agencies.

To train union counselors, providing them with knowledge concerning community resources, so that they can make referrals for a service of off-the-job problems.

To train and recommend members of organized labor in active roles in health and welfare agencies.

To create an awareness of community needs and solutions among union members.

"Much of our task centers in interpreting to organized labor, and making union members aware of health and welfare services available to them through public and private sources," Director Cox explained today.

Visiting Nurses
The Visiting Nurse Association has its principal office in East St. Louis and, in the words of Director Lucille Tucker, RN, "the objective of our agency is to give nursing care and treatment to patients who are confined to their home, or too ill to visit the doctor's office," she continued.

"Each person receiving nursing care must be under medical supervision. The service is rendered by professional nurses who have had special training in public health nursing.

"The cost to the patient for such services is a nominal one and patients that are financially able to pay for their care, are asked to do so.

"The ones who can only pay a portion of the cost do so. The balance of the part-pay or free

patients are underwritten by the United Fund."

One of the association's professional nurses spends two-thirds of her time with patients and at work in the Tri-Cities area, it was emphasized.

There is an additional service, new this year—a rehabilitation nursing. This program has been very rewarding, the association says, in that it has assisted several aged and disabled persons to regain maximum body use following a disabling illness.

Additionally, the Visiting Nurse Association provides care for cancer patients.

Total cost of such care of needy persons afflicted with this dread ailment are borne by the United Fund, and is given in addition to regular allotments to the Association, it was explained today by John D. Solenberger, executive director of the Tri-Cities United Fund.

Mayors Proclaim National Business Women's Week

The mayors of the three local communities have proclaimed Oct. 2 thru Oct. 8 to be "National Business Women's Week," in cooperation with an observance being conducted by the National Federation of Business and Professional Women's Club, Inc.

The purpose of the Federation's objectives are: to elevate the standards for women in business and professions, to promote the interest in business and professional women, to bring about a spirit of cooperation among business and professional women of the United States, and to extend opportunities to business and professional women through education along the lines of industrial, scientific and vocational activities.

Mrs. Verna Lengyel is president of the Quad-City Business and Professional Women's Club.

Training Courses To Begin For Cub Leaders

Two training courses for cub scout leaders in the Uniwah district will be started next month. First of them will be evening instruction beginning at 7:30 p.m. Monday, Oct. 3, at St. John United Church of Christ for men and women of Quad-City cub packs.

Daytime training and craft skills for den mothers will be given from 9 a.m. to 3 p.m. on three Wednesdays, Oct. 12, 19 and 26, in the basement of St. Joseph's Catholic Church. The evening course will be free, and the daytime course will have a 50-cent registration charge.

Depot Comptroller Elected To Office

William Barker, comptroller at Granite City Engineer Depot, was recently elected vice-president of the Mid-West Region of the Society for Advancement of Management.

Barker, who will serve in the 1960-61 year, lives in St. Louis and is one of 15 regional vice-presidents. His region includes three states and portions of five others. The organization is for management people in industry, commerce, government and education.

CONCRETE POURING on West Pontoon road where a four-lane roadway is scheduled for completion either next month or in November.

Concrete Work Underway On West Pontoon Rd.

Concrete work is progressing along West Pontoon road. The roadway, which was closed most of the summer, is expected to be reopened either in October or November, depending on weather conditions.

The \$150,000 project, extending half-mile from the city limits to the intersection with U.S. Highway 67a, calls for a 10-inch concrete roadway, 44 feet wide to provide four traffic lanes.

The county highway department, which is carrying out the work under a contract with General Contracting Co., is hopeful the city will widen the West Pontoon roadway within the city limits. The matter has been discussed a number of times by the city council, but action still is pending.

Three Local Youths Drafted This Week

Three Quad-Cityans reported Monday to the county selective service office at Edwardsville for armed forces induction.

They were Earl Lee Bryson and Edwin Gene Sentiff, both of Granite City, and Joe Samuel Walters of Madison, all volunteers. In addition, nine local youths reported for pre-induction physical examinations.

Next month's quotas are for seven Quad-Cityans to be drafted and eight to report for pre-draft physicals on Oct. 21.

Young Demos Feel Sure; Mull Victory Dinner

Madison County Young Democrats seem certain of the outcome of the Nov. 8 election. Meeting here Tuesday night, the organization's executive board took under consideration plans for a "victory dinner" and ball to be held in November, sometime after the election.

Terry Francis, president, announced their executive board action included tentative plans for a tea next month at the home of State Representative and Mrs. Paul Simon at Troy.

Francis said the organization will contribute to the dinner, which will be held Oct. 23 at Alton, featuring a tall boy Michigan Gov. G. Mennen Williams.

He said that during next Monday's visit of Sen. John F. Kennedy in the Tri-Cities, the Young Democrats will distribute placards and signs, sell campaign hats and buttons and endeavor to give the Bellefonte Village Shopping Center a political convention atmosphere.

As for the Victory ball, it is tentatively set to be held at St. Louis.

A.M., P.M., Noontide Optimists At Highland

Granite City's Optimists—the Daybreak, Noonday and Twilight clubs—joined with fellow service club colleagues Monday in a district golf tourney and banquet at the Highland Country club, Highland.

The Twilight Optimists with 17 members and two guests on hand, scored the highest of representation by an individual club.

Afternoon golf events were followed by a dinner, St. Louis and Cape Girardeau clubs along with numbers of Illinois units broke up the district.

Smaller representation that rolled by the Twilights was on hand from the Daybreak and Noonday Optimist clubs here.

No formal business was transacted.

Davis, 5 Solons Will Attend IML Convention

Mayor Davis and five Granite City aldermen have made reservations to attend the annual convention of the Illinois Municipal League to be held in Springfield starting Saturday and continuing through Tuesday.

The solons include Alderwoman Mrs. Gabrielle Beringe and Aldermen Walter Nott, Emerald Daves, Steve Basarich and Emil Von Schmittgen.

The mayor plans to return Monday to welcome Sen. John F. Kennedy on his visit to the Quad-Cities in the current presidential campaign.

No. Fall Soil Bank Signing: Rethmeier

There will be no sign-up this fall of additional land or contracts under the soil bank land conservation program. It was announced today by Chairman Edwin C. Rethmeier of the Madison County Agricultural Stabilization and Conservation committee.

He said that program contracts expiring in 1960 or later are no longer eligible to be extended for an additional period of years.

"The sign-up under the 1960 program was held last fall, so that farmers would know in advance of the season whether their land would be accepted," Rethmeier explained. "Since the authorization to enter into new contracts has not been extended beyond 1960, they will be no sign-up period this fall."

Rotarians Catch The 'Big Ones' Via Film

Granite City Rotarians took off on a "dream" South American lakes and rivers fishing trip Tuesday noon, a vicarious outing by the color film, "Rainbows Round the Andes."

The YMCA-based film, as the service club's weekly luncheon, had spread before them the people, ways of life, scenic grandeur, mountain majesty and fly and lure fishing in Chile.

Directed by Michigan angler, the movie was presented by Albert H. Froemling, executive vice-president of the Madison County Federal Savings and Loan Association.

Trout, weighing in at an incredible 21 pounds were caught by the film fishermen. The South American trout, it was explained, came from stock originally introduced from Michigan back some 30 years ago.

They grew bigger below the equator than in the Wolverine State.

President Dean Nabery presided, and there was a turn-out of 40 members.

Driver Pleads Innocent To 2 Traffic Charges

Pleadings of innocent were entered Tuesday morning by Clyde B. Davis, 36, of 2389 East 27th street, who was charged with following too closely and driving while under the influence of liquor following an accident Monday night on East 27th street near the Short street intersection. He was released on \$300 property bond for trial Oct. 18.

Police said Davis was driving west and crashed into the rear of a westbound auto driven by Marvin C. Waggoner, 39, of 2722 Michigan avenue. According to the report, both vehicles stopped for the boulevard sign and were proceeding across the intersection when the accident occurred. No injuries were listed.

Nameoki Presbyterian Church Names Officers

The Annual Meeting of the congregation of the Nameoki Presbyterian Church was held this week for the purpose of electing officers and the report of the nominating committee was given by Elder Pat Rich.

Robert Flinn, Dr. Harold Kaler and Wilford Widows were elected to three-year terms as ruling elders. George Donovan, Henry Ross and Virgil Simpson were elected to three-year terms as trustees of the church and Bill Eads, Ted Kawula and Glenn Whitaker were named to three-year terms as Deacons.

Re-elected to a one-year term as financial secretary was P. E. Pyle, and Mrs. Robert Hocking will serve a one-year term as church treasurer.

The church will observe the Sacrament of the Lord's Supper Sunday. Services for Communion will be held at 8:30 and 10:45 a. m. Both are open to the public.

Driver Permit Number On Plate Application

Illinois motorists are being asked to list their driver's license number on applications for 1961 license plates. Secretary of State Charles P. Carpenter announced today.

This is a move aimed to achieve greater co-ordination in the state's traffic safety program, he pointed out.

The additional data will materially speed up identification of motor vehicles and motor vehicle operators, the state official said. Cross-filing of the information in the automobile division files with the files of the driver license division and the safety-responsibility division will result in more complete records for each driver, he asserted.

HERE! '61 CHEVY TRUCKS

WITH WORK-PROVED INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more... the latest editions of the haulers that scrapped the I-beam axle and proved the important advantages of independent front suspension!

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades! With Chevy's independent front suspension and Sturd-i-Built design, you cruise over trails where other trucks creep. You feel the difference in less wheel fight and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

Petitions Ask Madison Board To Reconsider Action

Circulation of petitions was started this week after a protest meeting held Monday night by parents opposing locking of school doors to the Madison PTA group.

Estimates of the number attending varied from 11 to "about 20" and the protesting group said it had pledges of support from over 75 other Madison school district residents unable to attend.

Efforts will be made to obtain up to 3000 signatures on petitions prior to the Oct. 18 Madison school board meeting. It was reported that many assurances of support were received in a week-end telephone survey.

Text Of Petition

The petition states, "We, the undersigned citizens of the Madison, Ill. school district, protest the Madison school district administrative action which limits parent organizations."

"We request that the Madison school board reconsider and allow the PTA, even as it is now organized, the use of school facilities on a basis equal to other parent organizations."

Copies were given to about ten workers for circulation in various sections of the district. The school board has supported Supt. Wensel Brown's recommendation that it oppose a district-wide parent group, on the ground that it cannot adequately represent each school and that it is harmful to existing one-school parent organizations.

Chairman Named

During Monday night's meeting, Richard Barnett, a teacher in the Granite City school district, was chosen as chairman of the protest group. It was noted that the next PTA meeting is set for Monday evening, Oct. 17, but that the location is still indefinite.

Mrs. Edward Byrne, president of the group, said it is determined to continue in existence "even if we have to meet in members' homes."

Discussing the telephone survey, Mrs. Byrne said many people expressed disappointment at the board's action and that some said they plan to move out of the district. "If the board does not reconsider, we have discussed screening candidates for the next school board election," she commented.

Solons Prepare For Electric Signal Lights

Preparing for the installation of electric traffic signals at 20th and Benton streets, Granite City council members adopted an ordinance Monday night designating the intersection at Emerson grade school as a "stop intersection."

The ordinance also authorizes the installation of the electric signs. Another ordinance establishes a stop sign to halt northbound traffic in Edgewood drive at Johnson road; and still another new ordinance shifts a no-parking zone on 25th street from Delmar avenue east to the alley from the south side of the street to the north side.

Installation of three fire hydrants was approved by resolution. The hydrants are to be located on Devon Hill lane, at 2214 Wabash avenue and at Miami court and Rivera drive.

Pay Boost For Dog Catcher Still Under Debate By Solons

Union affiliation of the city's dog catcher, or humane officer, was discussed at length during Monday night's session of the Granite City council in a debate over a \$50-a-month pay increase sought by the Teamsters & Chauffeurs Union, Local 525, for Earl "Red" Angie.

The salary is now \$435 a month, and an assistant business representative for the union, Arthur Crouch of Alton, stressed the pay should be the same as \$485 as received by all other members of the sanitation department.

The dog catcher was designated by City Atty. William Beatty as being a city officer—same as the chief of police, city attorney, building inspector, etc. Beatty, who was called upon for a legal opinion, said the office was filled by an appointment by the mayor and the appointee was not a member of the sanitation department.

Motions were made to grant the increase, retroactive to May 1, 1959, when other city employees were given a raise, retroactive to May 1, 1960, and to table the entire matter. However, when Alderman Charles Meyer pointed out that since the dog catcher was a city officer and his pay could be altered only by ordinance, Mayor Davis changed the motion for preparation of an ordinance setting forth a \$50 monthly increase retroactive to last May 1. The ordinance is to be submitted at the next council session, despite arguments that no provisions were included in the budget.

FORD AND FALCON for 1961 are on display today at the Hohl agency. The upper picture shows the Ford Galaxie Club Victoria, a new model in the Ford line. Below is the Ford Falcon two-door sedan.

New Ford, Falcon On Display Today

The 1961 Ford and Falcon, which are being placed on display today at the B. E. Hohl Inc. showroom, 1837 Madison avenue, feature many innovations over previous models.

The new Ford is nearly four inches shorter and two inches narrower for greater maneuverability and introduces 30,000-mile lubrication.

Other engineering changes include self-adjusting brakes, a double-wrapped aluminum muffler, longer-lasting bright trim and underbody parts, and a 1000-mile oil change interval.

A new 390-cubic-inch high performance engine is optional. Lower maintenance costs are predicted by the Ford Motor Co., which points out that the 1961 Ford styling has been recognized for its "functional expression of classic beauty" by a world-reknowned fashion authority in the U.S.

The engineering changes, combined with finishes that never need waxing, are expected to mean fewer service stops.

The line introduced today consists of 16 models in four series—Fairlane, Fairlane 500, Galaxie and station wagons. Newly added are a Galaxie Club Victoria (two-door hardtop) and a six-passenger Country Squire station wagon.

Falcon for 1961 has a new, cone-shaped aluminum grille and introduces an optional 101-horsepower engine along with durability improvements in aluminum surfaces, underbody parts and other trim items.

Most successful new car in history, the Falcon delivers up to 30 miles a gallon on regular gasoline, the manufacturer reports. Preserving the 1960 styling, the car continues to offer six-passenger seating room, a "sports car" feel and 23.7 cubic-foot luggage capacity.

Falcon is offered in four models—two and four-door sedans and two and four-door station wagons. It also goes 4000 miles between oil changes. Single seven-inch headlights set into the new grille provide illumination comparable to that of the smaller dual headlights on other cars.

Station wagon load space length in the Falcon is more than seven feet, with a volume of 76.2 cubic feet, comparable to the 1957 Ford wagon.

The 1961 Ford and Falcon, which are being placed on display today at the B. E. Hohl Inc. showroom, 1837 Madison avenue, feature many innovations over previous models.

The new Ford is nearly four inches shorter and two inches narrower for greater maneuverability and introduces 30,000-mile lubrication.

Other engineering changes include self-adjusting brakes, a double-wrapped aluminum muffler, longer-lasting bright trim and underbody parts, and a 1000-mile oil change interval.

A new 390-cubic-inch high performance engine is optional. Lower maintenance costs are predicted by the Ford Motor Co., which points out that the 1961 Ford styling has been recognized for its "functional expression of classic beauty" by a world-reknowned fashion authority in the U.S.

The engineering changes, combined with finishes that never need waxing, are expected to mean fewer service stops.

The line introduced today consists of 16 models in four series—Fairlane, Fairlane 500, Galaxie and station wagons. Newly added are a Galaxie Club Victoria (two-door hardtop) and a six-passenger Country Squire station wagon.

Falcon for 1961 has a new, cone-shaped aluminum grille and introduces an optional 101-horsepower engine along with durability improvements in aluminum surfaces, underbody parts and other trim items.

Most successful new car in history, the Falcon delivers up to 30 miles a gallon on regular gasoline, the manufacturer reports. Preserving the 1960 styling, the car continues to offer six-passenger seating room, a "sports car" feel and 23.7 cubic-foot luggage capacity.

Falcon is offered in four models—two and four-door sedans and two and four-door station wagons. It also goes 4000 miles between oil changes. Single seven-inch headlights set into the new grille provide illumination comparable to that of the smaller dual headlights on other cars.

Announcing the 1961 Ford...
Beautifully proportioned to the
CLASSIC FORD LOOK
An honor to be proud of, this is the medal presented by the international fashion authority, Centro per l'Alta Moda Italiana, to the 1961 Ford for functional expression of classic beauty.
The 1961 Ford Galaxie Club Victoria—beautifully built to take care of people
BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF
The 1961 Ford introduces a whole new concept of what a car can do for you... and for itself!
It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. Goodbye grease rackets! What's more, it cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.
It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.
Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.
Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.
This is the 1961 Ford... beautifully proportioned to the Classic Ford Look... beautifully built to take care of itself.

Public Interest Requires Thorough Study Of Year-Round School Operation Proposal

The Press-Record today publishes elsewhere on this page a letter to The Forum in which the writer opposes proposed year-round operation of public schools, a study of which recently was authorized by the Granite City school board. The questions raised are of such timely concern to all school district residents that the usual 250-word Forum limitation has been waived and the full text of the letter is printed.

Since the Granite City school district's first multi-million dollar bond issue in 1933, this newspaper has urged a comprehensive study of year-round school operation. We believe all schools will eventually come to this for three principal reasons: (1) it will eliminate three months' idleness of \$16 million in buildings and equipment that now exists in Granite City alone; (2) it will provide full-time employment and proportionate higher annual incomes for teachers; and (3) it will virtually eliminate this nation's teacher shortage.

Taxpayer benefits will result from present buildings, now handling 11,000 students, being able to serve one-third more—or over 14,000—for the cost of air-conditioning of classrooms only, instead of building expensive new structures. Teaching expense would be approximately the same as now, since the extra cost of full-time employment would be offset by a reduction in the teaching force. For example, where Granite City now has 444 teachers, a year-round school could be handled with one-fourth fewer teachers.

With further reference to "Mr. G. W.'s" letter, he emphasizes possible winter vacation problems; the proposed year-round program actually would result in four vacation periods of three months each—in the spring, summer and fall as well as winter. Under the present pattern, most vacations, of necessity, are taken in the summer. But an increasing percentage of the population is recognizing the advantages of other seasons, when varied sports and recreational activities are available, usually at reasonable cost.

It is true, as he writes, that several local plants close down for vacations, but few would hold this to be desirable, either for the employee or company. There obviously would be less need for this if vacations were distributed more evenly throughout the year. Further, instead of high school and college students competing for vacation jobs in three summer months, four vacation periods would give all young people a much better chance to find employment, thus helping to finance their schooling.

To our knowledge, year-round school has been tried in very few communities, and then given little more than lip service. The letter's reference to a local sewer program lends support to the year-round school idea; current drainage planning is intended to bring about year-round sewers, instead of the present seasonal, inadequate sewers.

A final point remains—the question of winter-time care of youngsters. This is not valid because schools exist to educate children, not to "babysit" for parents. We don't believe it is the school

system's responsibility to supplant parents; this philosophy should be carried over to the case where each child, immediately after birth, is taken over by some public agency and reared without the parents making any sacrifice of time or attention. While an expanded park recreation program should be considered, any unusually elaborate or costly plan would be inconsistent with the history and needs of this country. Children's place is in the home, where they can best learn spiritual and moral values. "Togetherness" and preservation of the family as a unit are goals worthy of more than just talk.

The highest achievement of man is to be able to think through distorted situations and arrive at the truth.

Paucity of Highway Markers No Help To Stranger Seeking Quad-Cities

We of the Cis-Mississippi may be bracketed with the Trans-Mississippi under the enveloping cloak of Greater St. Louis, but we like to feel distinct—and distinguished—and justifiably proud of our Quad-Cities complex of homes, business centers and booming industry.

And we like much to have others know about us, and more particularly how to reach our fair cities.

Motorists have complained of considerable confusion, back-tracking and unreasonable difficulty in traveling to Granite City, Madison, Venice and Mitchell due to the lack of adequate highway guideposts.

This lacuna is particularly bothersome to those using Highway 66, and they get no kicks out of 66's minimum of markers showing the route to the Quad-Cities. In this, we contend, the Illinois State Highway Division is somewhat remiss, if not downright neglectful.

All roads lead to St. Louis in the lexicon of the Commission, and that's an important landmark for trans-continental travelers. But how about strangers who want to visit us?

Skippy and few in numbers are the roadway markers pointing their triangular finger to Granite City and environs. This is no problem to those who know their way around Granite City, Madison, Venice, frequently end up in St. Louis—which is altogether agreeable if you want to go there.

But the stranger then has to circle back and then, viola, there's the Quad-Cities and his destination. Two unnecessary bridge crossings put him slightly out-of-pocket.

Yes, Highway 66 leads to St. Louis, but the Highway Division should bear in mind that there are good Illinois communities flanking the eastern shoreline, and why not herald them more conspicuously in the marking program?

We don't expect Highway 66 and other main arteries to be spangled with "This Way to the Quad-Cities" guide, but additional routing aids are indicated.

Let's see more "You go that-a-way to the Quad-Cities" signs.

All liberty is based upon the surrender of some individual liberties.

SEES DISADVANTAGES IN YEAR-ROUND SCHOOL.

The Editor Granite City Press-Record

Dear Sir:

I have been reading the numerous editorials you have written over the past few years advocating a twelve month school program, and I think it is time someone pointed out their objections to this plan.

The principal advantage you claim for the plan is a tremendous saving to the taxpayer. This I question. All of the buildings would have to be air conditioned, involving a tremendous expense, both for installation and operation. Teachers salaries would have to be increased by at least twenty-five percent. Bus transportation costs would increase twenty-five percent.

There would, undoubtedly, be other items of increased expenses. Added together, all of these expenses may not be enough to pay for new school buildings, but the difference to each individual taxpayer would be so small he would not be able to find it on his tax bill. New buildings are eventually paid for, but these expenses would never end.

The principal objection is that one-fourth the children would be required to take a vacation during the winter months. Our winters are hardly conducive to outdoor play and I am sure the mothers who have several small children in school would be welcome keeping them in the house for three months. They are going to have to show these mothers a tremendous individual tax saving to make that worth while. Your idea of having the Park District extend their recreational program to cover the full year doesn't sound good to me, but I would be interested in hearing what they could plan for the youngsters, say six hours a day, during the winter months. Incidentally, wouldn't this cost the taxpayers money?

You claim this plan would relieve the vacation problem in industry. Some of the plants in our city have found it expedient and more economical to close down for a couple of weeks so everyone can take their vacation at one time. A summer vacation can be enjoyed by people of even modest circumstances as State and National Parks are open for camping, the zoo is open, spectator and participant sports are available, and swimming, boating and other water sports are enjoyed. Many men like to take this time to plan and make necessary repairs to their homes. Winter vacations, to be honest, are usually expensive and I doubt if many of the working people in Granite City can afford them.

There are other objections to a twelve month school program and I don't doubt that there would be other advantages, but I think the objections outweigh the advantages by a large margin. In the proof of this is that, as you well know, the plan has been tried in numerous communities and, to the best of my knowledge, has failed in every one of your editorials you said these failures were only because people didn't like it. In government, if a plan is tried and it fails, it is not tried again. I would like to point out a little discrepancy in your editorials. You have been very much in favor of the development of Horseshoe Lake as a State Park. How much do you think it will be used in the winter? Also, you are pressing for a master sewer plan because some areas of our city are flooded, maybe four or five times a year. I am not opposed to these plans, but by your theory of full time utilization of tax paid projects, the present nine month schools look like a better deal.

I would like to be a property owner and have just as much trouble as the next guy coming up with my tax payments, but I feel that when the day comes that we cannot afford adequate facilities for the education of our children we have lost the race.

P.S. I have suggested to one of our mutual friends on the school board that, if the twelve month plan is adopted, you be appointed to decide which children get the winter vacation. The mortality rate on that job is going to be high.

READER ASKS, DO YOU WANT CITY MANAGER GOVERNMENT?

From the years of 1931 to the month of 1934 I lived in Kansas City, Mo., at 2100 Montgolfier and was an acting precinct captain under the Thomas J. Pendergast political machine very much a whip hand organization. I was elected to the County Judge of Jackson County, Mo., the county seat located at Independence, some 15 miles east of Kansas City, Mo., was precinct captain of the 8th precinct, my precinct being the 7th.

In November of 1932 Truman won the Senate seat by sliding into on Frank J. Murphy's coat-tail in the general election. Being pretty much a writer and vote-getter, I was selected to start a drive in the eastern district of Kansas City to promote a City Manager type of government. A special election was held, the idea was approved by a terrific majority. My district carried 5 to 1 for the approval of this being from the aggressiveness and constant never say die effort of a young and up and coming Democrat being 36 years of age at the time and an eager helper to rectify the losses of the market crash of 1929. But by the end of 1933 it was sick of my deal, the whole administration was rotten! Judge J. McKelroy a previous County Judge proceeded to have Truman appointed City Manager, this to heal a political wound in the defeat of Truman. As an Administrative Head he was about as brilliant as a lamp post!

In 1933 his daughter was kidnapped and held for \$100,000.00 ransom.

After 4 years of this abuse to the taxpayers and malfeasance in office this system was abolished. The old Council form of government was installed and set about to retire the 3 1/2 million dollar deficit hanging over the city. In 1936 and 1937 he was here since from 1921 until 1936 he lived in Madison, Wis., operated in the wholesale and retail fruit and vegetable brokerage business having been a previous employee of American Steel Co. and the Commonwealth Trust Co. Coming here after world war No. 1 by former home was Kansas City, Mo. do you want this, if you support a City Manager type of government. You may get the same.

URGES CAUTION IN CITY FOGGING PROGRAM

An open letter to the Citizens of Granite City:

Have you ever picked up a can of INSECTICIDE and looked at the formula and the precautions stated thereon? I have before me a can of "FLYDEP", push button insect killer, which states:

ACTIVE INGREDIENTS: Allethrin alkyl hominates of etherin 0.10% D.D.T. (Dichloro-diphenyl-trichloroethane) 2.00% Butoxide 0.25% Beta butoxyethyl thioacetate 1.00% Diethyl ether 1.00% Petroleum distillates 16.65% INERT Ingredients 80.00%

Total 100.00%

Part of the caution stated on the can is as follows: "DO NOT spray on Skin or Animals. In case of skin contact, wash with soap and water. AVOID contamination of Feed and FODSTUFFS. Remove BIRDS, PETS and Fish. Bowls from rooms before spraying. AVOID Inhalation of Spray Mist."

The underscoring is mine. Have you asked what the Formula is for our own Local Fogging Program?

Do you gather Children, Dogs, Cats, Birds, Bees, Etc. Clo the house, close all doors and windows before the Machine comes by?

DO you wash your barbecue steaks thoroughly before using?

Do your children go barefoot?

THINK AND MEDITATE ON THESE THINGS.

READER URGES CHECK OF WATER SOURCES

Dear Corley:

Reading an article in the U.S. News & World Report on "Flow Pure Is Your City Water" and you quote:

"The problem of drinking water purity and free from disease carrying organisms is becoming a matter of increasing concern for American Cities."

Unlike the tap water of most countries, the water of the U.S. has been considered safe to drink anywhere, anytime. All of a sudden, that confidence is coming under question.

A study just completed at the Robert A. Taft Sanitary Engineering Center puts new emphasis on the problem. This is a U.S. Health Service Laboratory. The study reveals that drinking water taken from 13 U. S. rivers contains microscopic worms, called nematodes, that can carry disease bacteria and viruses. These nematodes are able to withstand chlorine treatment, the standard treatment for killing organisms in drinking water.

A thorough check by the State Health Dept. should be made in regards to the purification of our drinking water, and a report sent to the Mayor, City Council sanitary committee, the Civic League and Chamber of Commerce.

Sincerely yours, Al. Ward Jr. 2408 Hodges Ave.

CALLS FOR SLASH IN FOREIGN AID

Dear Editor:

In view of the alarming rate of insolvency encumbrance upon the United States government due to the Foreign "give aways," I feel it most expedient at this moment to sound off.

Too many people are being lulled to sleep on buying friendship. It is physically impossible for the U. S. to continue to support the world while the world reciprocates with a slap in our face.

Our Foreign "hand outs" have not stopped the Communist advance by aggression and subversion in Tibet, Japan, Okinawa (our own base), Cuba, or the Philippines and Africa. Foreign "hand outs" still cost us the bloody battle for Korea and the sacrifice of so many American and Allied lives.

Foreign aid give aways are trying to establish a beach head to make it a permanent policy to the bureaucrats and the manufacturers who seek to benefit by foreign aid hand outs can do so. The interest of the country is to sell their attitude so long as their own interest can be advanced.

There is no room in the U.S. for this kind of top-sliced thinking.

We must slash the hand outs 50%. We can not continue to socialize the world because that's exactly what our money does in foreign countries.

Yours truly, Vincent J. Ashal 2908 Madison Granite City, Ill.

CALLS FOR SUPPORT OF MANAGER GOVERNMENT

Dear Citizens and Taxpayers of Granite City:

Who do you want to salvage out of the city hall?

Is it Mayor Davis or Walter Nomm?

Yes, we have two or three fair alterners, but what can they do against the powerful pressure of Walter Nomm.

This is the only remedy—get rid of them all and have a brand new city government by all of you supporting the special election which will come very soon.

A reduction in the 35-mile-an-hour speed limit on East 23rd street in the vicinity of the new grade school building is being sought by school officials and was discussed Monday night by Granite City council members who referred the proposal to the city attorney and engineer.

Alderman Samuel Whitmer, chairman of the Street and Alley committee, said the 35mph limit was set by the state, and the attorney should determine if the city could set a lower limit or make a request to the state. The engineer is to determine a suitable speed.

It was pointed out the state erected "slow" signs in the vicinity of the school.

Democratic Gubernatorial Candidate Here Oct. 12

A campaign address by Judge Otto Kerner and free barbecued ribs and refreshments will be the highlighting attractions Wednesday, Oct. 12, at the Venice-Madison American Legion clubhouse.

The Democratic candidate for the governorship of Illinois, claiming a Madison county vote-gathering swing, will be at the clubhouse from 5 to 7:30 p.m., and the public is invited to hear the Chicago area jurist in his bid for office.

Harold E. Hillmer is chairman of the "Kerner Day" event, sponsored jointly by the Democratic committee of Granite City, Madison and Venice.

Others who are among party leaders in the area who are charting arrangements include Walter T. Simmons, Madison county Democratic organization chairman; Chris Costoff, township chairman; Von Dee Crum, Granite City, and Robert O. Gaughan, Granite City.

Monday night, members of the county Democratic executive

committee and advisory board met at Edwardsville, 100 strong, and voted endorsement of the upcoming Universities bond and Public Welfare Building bond issues to be voted on at the Nov. 5 election.

Speakers were Congressman Melvin Price (D. East St. Louis) and State Sup. of Public Instruction George Wilkins.

Campaign strategy and tactics were likewise discussed. The group likewise viewed the Kennedy-Nixon TV debate.

Mitchell Kiwanians Will Meet At Glen Carbon
Mitchell Kiwanians will join an interclub dinner meet with the Glen Carbon service club Tuesday night, it was decided Monday at the meeting of the Mitchell group at Smith's cafe.

President Robert Franko named a nominations committee headed by Past President Lee Paul, to make recommendations next month.

Plans were also charted for a fall "ladies' night" social program at Belleville at a date not yet fixed. Ten Mitchell Kiwanians were in attendance.

McCauley On Program For State School Meet

Lawrence C. McCauley, principal of Granite City high school, is on the program of a triple meeting of Illinois school administrators Oct. 4-5 at the University of Illinois. It will include interlocking meetings of the Illinois Association of Secondary School Principals, Illinois High School Association and North Central Association for Illinois Schools.

Howard Pyle, former governor of Arizona, later administrative assistant to Pres. Eisenhower and now president of the National Safety Council, will address the NCA luncheon Oct. 4, U. S. Sen. Gale McGee (D. Wyo.), the Oct. 4 dinner of ISSP, and Ray Eliot, assistant director of athletics of the U. of I., the IHSA luncheon Oct. 5.

Taking in a game of football Oct. 5 on "New Directions in Quality Teaching and Learning" will be Dr. John E. Ivey Jr., president, Midwest Council on Airborne Television Instruction; Kenneth Komoski, junior high principal, Collegiate school, New York City; Henry S. Blissett, teacher, Newton high school, Newtonville, Mass.; and J. Lloyd Trimp, formerly of the U. of I., associate secretary, National Association of Secondary School Principals, Washington.

McCauley will be recorder for a panel discussion on "Junior College Development."

"What does it mean to me when you say: MEDALLION HOME?"

A Medallion Home, dear lady, makes sure you get your home-buying money's worth in these three important ways:

- 1. ADEQUATELY WIRED**—The wiring in a Medallion Home meets the top standards of the electric industry. Plenty of convenience outlets, at least eight circuits plus heavy duty circuits for heavy duty appliances.
- 2. LIGHTED FOR LIVING**—Scientifically designed light sources, functional as well as beautiful, located everywhere they're needed, in and around a Medallion Home.
- 3. USES MODERN APPLIANCES**—A Medallion Home is equipped for better living electrically with certain major modern electric appliances.

A Medallion Home is identified by the medal, shown above, on homes that have been officially inspected and certified in regard to the foregoing conditions. When you buy a home, insist on one that has earned this Medallion. Then you'll know you're getting what you want—in modern electric living—in good resale value!

Aid To Crippled Given 136 In Year

The Madison County Association for the Crippled, reporting on past year's activities, announced last week that 136 persons had been served in one or more of its treatment programs. In a report to the Madison county board of supervisors, the association showed that 4000 volunteer hours were spent in service at the centers at Alton and Edwardsville and at day camp. A total of 2346 treatments were given.

The program includes occupational and speech therapy, pre-school workshops for the physically and speech handicapped, parent counseling, public information, and a two-week summer day camp.

Additionally, the organization maintains an equipment loan pool. Operating expenses were \$15,574. The society's major income of \$12,978, was derived from sale of Easter Seals, fees from individuals and sponsoring agencies, contributions and other sources.

GC Man Pleads Innocent To Petty Larceny Charge

A pleading of innocent was entered Monday before Police Magistrate Gasparovic by Jack McLean, 20, of 2636 Center street, who was arrested by Granite City police on a warrant filed by Lt. Wheat Quotas, Support Stand Unchanged '61

Marketing quotas, price support and acreage-allotments for wheat will remain essentially the same as they have during recent years under the Agricultural Stabilization and Conservation act.

Chairman Edwin C. Reithmeier of the Madison county Agricultural Board, said that the 1961 wheat program will remain essentially unchanged.

As a result of an 87.4% affirmative vote of wheat growers in a July 21 referendum, marketing quotas will be in effect for the 1961 crop and the marketing of excess wheat will be subject to a penalty, he pointed out.

Reithmeier today also reminded growers of the feed wheat exemption provision of the 1961 wheat marketing quota regulations.

Farmers whose wheat allotments are less than 30 acres are permitted to grow up to 20 acres of wheat without penalty, provided all of it is used for feed, seed or human consumption on the farm where the grain is produced. All livestock or poultry will be owned by the producer and it will not be permitted to remove any of the grain to another farm for this purpose, the chairman noted.

Madison County Farms Average 140.4 Acres

The average size of a farm in Madison county is 140.4 acres, according to figures released in a preliminary report by the Bureau of the Census this week.

Also determined during the 1959 census of agriculture, which took place last fall in Madison county, was the average value of farms, including land and buildings (\$36,249), the number of farms (25,222), and the total land in farms (3,544,024 acres).

The reports showed that 1,277 farm operators owned their farms, 616 were part owners and rented additional acreage and 624 were tenant farmers. The average age of farm operators in the county was 50 years, and of the 2022 farms in Madison county, 1,856 were commercial.

Press-Record Editor Will Take Part On IPA Panel

C. E. Townsend, editor and publisher of the Granite City Press-Record, will be a panelist on a newsmen's discussion of "How to Handle the 'Delicate' News" Friday, Oct. 7, held in conjunction with the two-day Springfield meeting of the Illinois Press Association.

The full session, opening that day, will include a talk on the Congo crisis by Prof. Alan P. Merriam, anthropologist on the faculty of Northwestern University.

Townsend, who in 1957 was named "Editor of the Year" by the Press Association, will be joined by representatives of other Illinois editors and newsmen on the panel to be moderated by Charles Hayes, editor of the Arlington Heights Herald.

Notice of Sale of Real Estate for Taxes or Special Assessments; and Notice of Filing Petition for Order to Issue Tax Deed:
Emma L. Reeves and all unknown owners and persons interested in said real estate, You and each of you are hereby notified that on the 5th day of January, 1959, the County Court of Madison County, Illinois, entered a judgment and order of sale of delinquent lands and lots, and fixed the correct amount of tax paid under protest in the County of Madison and State of Illinois for the year 1957; that the undersigned, as purchaser or assignee of the purchaser, on the 13th day of January, 1959 at the sale ordered in said proceedings which sale was held by the County Collector of said County of Madison in the City of Edwardsville, in the County of Madison, and State of Illinois, purchased said delinquent land and lots for the taxes, interest, penalties and costs due and unpaid for the year 1957; and that such delinquent lands and lots so purchased are more particularly described as follows:
Block 20, Knox and Smith's Second Addition to the City of Venice, as per plat thereof recorded in the Recorder's Office of Madison County, Illinois, situate in the City of Venice, County of Madison and State of Illinois.
Such real estate so purchased was last taxed in the name of Emma L. Reeves. The time for redemption of said real estate will expire on the 13th day of January, 1961.
On the 22nd day of September, 1960, the undersigned filed a petition in the County Court of Madison County, Illinois in the same proceeding in which also aforesaid judgment and order of sale was entered. Said petition prays that the court enter an order directing the County Clerk to issue a tax deed to the undersigned if the real estate shall not be redeemed from the sale and the undersigned intends to make an application to the court on the 14th day of January, 1961 at the hour of 9:30 a.m. in an order on said petition that a deed issue to the undersigned and the real estate shall not be redeemed from the sale.

(9-29)

It was decided to hold it on the church.
"Our Church is Failing Our Youth" was the topic of the study lesson given by Miss Carolyn Butler, and the worship service was conducted by McKee and Conley Howell. Group singing was enjoyed, with Miss Peggy Lippford leading. Miss Marcia Walker was in charge of the recreation period.
Others attending were Cindy Lanier, Larry Peppers, Betty and Barbara Byrnes, Carlene Butler, Mary Krouse, Cheryl Rice, Martha Spengler, Larry Whitsett and Mike Vasileff.

ATTEND FALL MEETING

A group from Central Christian Church attended the fall meeting of the Disciples Council of Greater St. Louis at the Union Avenue Christian Church Sunday afternoon and evening. Ralph Tillery, a Congo missionary home on leave, was interviewed by Mrs. Davis, KMOX newscaster. After the dinner, the main speaker, Lester B. Rickman of St. Louis, presented a lecture, "The World As I Saw It." Rickman, who has completed a trip around the world, gave his views on existing world conditions.
Members attending were Rev. and Mrs. James Craddock, Mrs. Elma Craddock, Mrs. James Latham, Mr. and Mrs. Murel Spengler, Mrs. John Gordon, Mr. and Mrs. Henry Randall, Mr. and Mrs. David Parrish, Mrs. Clay Ruth and Mr. and Mrs. Richard Davidson.

Stalled Motor Blamed For Two-Car Crash
A balky motor was blamed for a two-car traffic accident Tuesday afternoon at 21st street and Madison avenue. John Parker, 84, of South Roxana, told police he was traveling east on 21st street and making a left turn when his motor stalled.
The other auto, driven by Lester Yates, 43, of 4201 Kirkpatrick Homes, was traveling north on Madison avenue. There was damage to the right front fender on Parker's auto and to the left side of Yates' car.

Archeologist, German 'father of paleontology' popularized the term "fossil." Taken from the Latin "fossilis," it means "dug up."

Booked for Granite City police headquarters Tuesday morning by a deputy sheriff, Betty Bellman, 31, of 2317 Independence drive, pleaded not guilty before Police Magistrate Gasparovic to charges of creating a disturbance and assault filed by Donald Winnie. She was freed on \$100 property bond for trial Oct. 13.
